INTERNATIONAL DAY FOR BIOLOGICAL DIVERSITY 2016 CELEBRATION

ACTIVITY REPORT

The Junior Chamber International Adoor Town Chapter, Kerala, India under its project Haritha Sanjeevani (UNSDG Program-Take Care of Earth) celebrated International Day for Biological Diversity on 22nd May 2016. We planted native varieties of fruit plants like Ambazham (*Spondias mangifera* – Indian Hog Plum) and distributed saplings of the same to the public. Also, we circulated the softcopy of the FAO Youth Guide to Biodiversity (I Edition) through email to students of our locality.
