

## NOTIFICATION CBD 2019-041

### Inputs by Brazil

#### Introduction

Notification 2019-41 invited Parties to submit any proposals for new and emerging issues for the future work programmes of the Convention.

#### Comments

Taking into account Decision IX/29 of the Conference of the Parties (COP), Brazil does not identify, at the present moment, any subject that could be treated as a New and Emerging Issues (NEI) for the future work programmes of the Convention. All the important issues that Brazil considers as NEI are already included in the agenda of the Convention on Biological Diversity.
