CAPACITY-BUILDING WORKSHOP FOR
CARIBBEAN SMALL ISLAND DEVELOPING
STATES TOWARDS ACHIEVING AICHI
BIODIVERSITY TARGET 9
Kingston, 18–22 September 2017

PROVISIONAL AGENDA

1. Opening of the workshop.
 2. Organizational matters.
 3. Workshop background, goals and expected outputs.
 4. Review of the progress made in achieving Aichi Biodiversity Targets 9 and projects on invasive alien species management funded by the Global Environment Facility in the Caribbean region.
 5. Evaluation of national policies, legislation, and capacities required within the Caribbean to achieve Aichi Biodiversity Target 9.
 6. Identification of regional priorities for invasive alien species management and harmonization of measures to address the risks posed by these species and to achieve Aichi Biodiversity Target 9.
 7. Development of programme/project proposals aimed at implementing measures that address the risks posed by invasive alien species and at achieving Aichi Biodiversity Target 9.
 8. Presentation of proposals developed.
 9. Development of an action plan for the period 2018-2022 based on regional priorities and programme/project proposals developed.
 10. Review of workshop outputs and next steps.
 11. Other matters.
 12. Closure of the workshop.
