

GIASIP

draft

**Operational
Plan**

Partnership Networks

- Success through synergies and catalytic projects
- Effective resource use and mobilization
- Models...
 - Global Islands Partnership
 - World Water Partnership
 - First phases of the Global Invasive Species Programme

Operational Plan

- Work in progress
- We need your creative/strategic input
- Initial document ready for COP 11
- “Living” document
- Guiding document

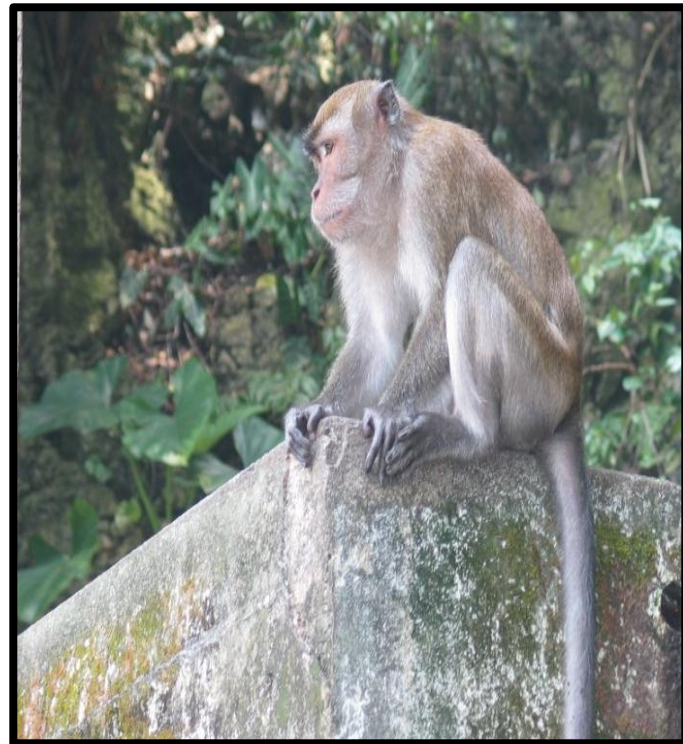

Operational Plan

- **Guidance on what GIASIP:**
 - Is (vision, mission, values)
 - Does (work plan)
 - How (structure & capacities)
 - Enabling mechanisms (funding, agreements, etc.)

Operational Plan

- **Your task:**
 - Read through the document
 - Discuss the draft elements
 - Make suggestions for improvement
 - The document includes guidance from the SCBD

Operational Plan

- **Outline:**
 - **Introduction**
 - **GIASIP**
 - **Vision**
 - **Mission**
 - **Values**
 - **Distinct Capacities**
 - **Work Plan**
 - **Co-ordination**
 - **Addendums**

Operational Plan

- Approach
 - Read once for big picture
 - Start in detail with initial Work Plan
 - Go through entire document as group
 - Be “realistically visionary”
 - Draw on your own experience/lessons learned
 - Be prepared to summarize key points

Operational Plan

- **Additional thoughts**
 - Responses to questionnaire
 - Brand marketing
 - Your government's or organization's specific role
