

AFRICACAPACITY-BUILDING WORKSHOP ON MAINSTREAMING BIOSAFETY INTO NATIONAL BIODIVERSITY STRATEGIES AND ACTION PLANS

Workshop Objectives Expected Outcomes, and Organization of Work

Erie Tamale
Programme Officer, CBD Secretariat

Workshop Objectives/Outcomes

REVIEW STATUS

- Status of implementation in Africa (2nd and 3rd National Reports)
- National implementation (NBF devt./implementation)
- Integration of biosafety into NBSAPs and other processes
- Opportunities and challenges

LEARN & SHARE

Experiences, good practices & lessons learned

- NBF implementation
- Nagoya-KL
 Supplementary
 Protocol on L& R

EXPLORE/ PLAN

- Ways/means to enhance mainstreaming of biosafety into NBSAPs and other processes
- Mobilization of additional resources for implementation
- Regional cooperation (strategies/ mechanisms)
- Technical Support Network

9 February 2016

- Status of implementation of the CPB, globally and in the region
- Status of NBSAP development and implementation
- Tools for CPB implementation in Africa
- National experiences/lessons learned in the implementation of the Protocol (country presentations – 1st group)
- CPB Strategic Plan and its relationship with the Strategic Plan for Biodiversity (2011-2020) and the Aichi targets

10 February 2016

 Integration of biosafety into NBSAPs & and NDPs: Rationale and strategies

- Examples of biosafety integration into NBSAPs
- African Union Commission MEA project: NBSAPs
- Group discussions: Country experiences and lessons learned
- Practical steps/points to consider in mainstreaming biosafety into NBSAPs

- Country presentations (Last group)
- Individual exercise: entry points for biosafety integration into NBSAPs and NDPs

11 February 2016

- Resource mobilization in the context of the Convention:
 Recent developments
- Group discussions: Ways and means of mobilizing more resources for biosafety
- Status & opportunities for broadening GEF support for biosafety under the STAR (presentation & discussions)
- core provisions of the Nagoya Kuala Lumpur Supplementary Protocol on Liability and Redress
- Measures and capacities needed implement the Supplementary Protocol

12 February 2016

Way forward:

- Fostering regional cooperation on biosafety
- Increasing the visibility and political support for the Protocol
- Aligning CPB with national strategies for achieving the SDGs
- Pilot projects on mainstreaming biosafety
- Workshop evaluation and closure

Your Expectations

 What are your expectations from the workshop?
