

Pacific CHM Workshop: Marshall Islands

13th – 17th June 2016
Nadi, Fiji

Current Situation

- ♦ www.biormi.org
- ♦ Last update: 2nd October 2008

Challenges

- ♦ Limited capacity (funding and technical personnel)
- ♦ No formal coordination mechanism to collate data and manage portal
- ♦ Limited political support

Strategic Vision

- ♦ Other than NBSAP, there is **no formal** SV in place to revise and manage our CHM

Opportunities

- ♦ National Strategic Plan (2015 – 2017)
 - ♦ Goal: to establish e-government
 - ♦ Improve access and dissemination of all relevant information
- ♦ Coastal Management Advisory Council (CMAC)
- ♦ Micronesia Challenge
- ♦ Conversation Plan: Reimaanlok
- ♦ GEF-5 \$3.9M
- ♦ GEF Project: Revise NBSAP and develop 5th National Report

We need...

- ♦ Develop strategic plan (roadmap) on re-establishing and maintaining CHM
- ♦ In-country technical support (webmaster)
- ♦ Coordination mechanism with national and local partners
- ♦ Funding
