Item 1.7 of the provisional agenda\*

### ORGANIZATIONAL MATTERS

#### *Date and venue of the tenth meeting of the Conference of the Parties*

*Note by the Executive Secretary*

1. Rule 4, paragraph 1, of the rules of procedure of the Conference of the Parties provides that ordinary meetings of the Conference of the Parties shall be held every two years. Paragraph 2 of the same rule provides that, at each ordinary meeting, the Conference of the Parties shall decide on the dates and duration of its next ordinary meeting. Since the entry into force of the Convention, the venues of meetings of the Conference of the Parties have been as follows: COP-1 Nassau (the Bahamas); COP-2 Jakarta (Indonesia); COP-3 Buenos Aires (Argentina); COP-4 Bratislava (Slovakia); COP-5 Nairobi (Kenya); COP-6 The Hague (Netherlands); COP-7 Kuala Lumpur (Malaysia); COP-8 Curitiba (Brazil); and COP-9 Bonn (Germany). Thus, the ninth meeting of the Conference of the Parties is to decide on the date and duration of its tenth meeting.

2. In this connection, for the first time in the history of the Convention, a Government has come forward and made public its intention to offer to host the next meeting of the Conference of the Parties well before the meeting at which the decision is to be made. The Government of Japan has announced its offer to host the fifth meeting of the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol on Biosafety and the tenth ordinary meeting of the Conference of the Parties in Nagoya City, Aichi Prefecture, Japan. The decision to do so was made at the level of the Cabinet of Japan on 16 January 2007 and officially conveyed to the Bureau of the Conference of the Parties. A presentation on the offer of Japan was made to the current Bureau of the Conference of the Parties at its meeting held in Paris on 8 July 2007. On this occasion, the Bureau welcomed the offer of Japan.

3. After consultation with the Executive Secretary and taking into account the calendar of United Nations meetings, the Government of Japan proposes to host the fifth meeting of the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol on Biosafety and the tenth ordinary meeting of the Conference of the Parties, from 11 to 15 October and 18 to 29 October 2010, respectively.

4. The Secretariat has no information regarding any other offer to host the two meetings. Therefore, at its ninth meeting, the Conference of the Parties will have before it the following draft
