CAPACITY-BUILDING WORKSHOP FOR AFRICA ON  
ACHIEVING AICHI BIODIVERSITY TARGETS 11 AND 12  
Entebbe, Uganda, 21-24 March 2016

### PROVISIONAL AGENDA

1. Opening of the meeting:
  - (a) Opening;
  - (b) Election of the chair;
  - (c) Adoption of the agenda and organization of work;
  - (d) Introductory presentation on Aichi Biodiversity Targets 11 and 12.
2. Collecting and sharing information and data on status, gaps and opportunities regarding the elements of Aichi Biodiversity Targets 11 and 12:
  - (a) Quantitative elements;
  - (b) Ecological representation;
  - (c) Areas important for biodiversity;
  - (d) Management effectiveness;
  - (e) Governance and equity;
  - (f) Other effective area-based conservation measures;
  - (g) Integration of protected areas into wider land- and seascapes;
  - (h) Known threatened species;
  - (i) Conservation status of species in decline.
3. Capacity-building, awareness-raising and integration of relevant issues on protected areas:
  - (a) Governance and equity;
  - (b) Transboundary protected areas;
  - (c) Protected areas in national biodiversity strategies and action plans and the post-2015 United Nations development agenda;
  - (d) Global Environment Facility funding, including the development of Project Identification Forms.
4. Inputs to the Subsidiary Body on Scientific, Technical and Technological Advice at its twentieth meeting, to the Subsidiary Body on Implementation at its first meeting, and to the Conference of the Parties to the Convention at its thirteenth meeting:
  - (a) Identifying focused actions towards the achievement of priority elements of Aichi Biodiversity Targets 11 and 12;
  - (b) Suggested draft elements for a practical decision on protected areas and species conservation for consideration.
5. Closure of the meeting.
