PNG**

What do we do ?

- Link all sectors
- Link into international developments
- Knowledge exchange
- Convene
- Publish
- Provide voluntary expertise (Pacific technical group)
- Career development
- Personal networks

What could be done in the Pacific?

- Assist implementation of CBD POWPA by linking to international expertise
- Help compile communication document on the value of PAs
- Assist Roundtable task groups with additional expertise
- Lobby ANZ governments for additional support
- Mobilize expertise for capacity building/technical workshops

IX/18 Requests to Parties

- *Designate a national focal point (p. A 21)*
- *Establish multisectoral advisory committees (p A 5(b))*
- *Consider a fund raising target (p B 3(F))*
- *Explore funding opportunities for Pas in the context of efforts to address CC (p B 3 (h))*
- *recognition of CCAs, Private PAs, & co managed Pas(p A6(b))*
- *Undertake review of national implementation using effective consultation (p.25 a)*
