

Life Web

Platform for partnership building for PoWPA

Main Objective

- support the creation of new and improve management of existing protected areas
- implementation of the CBD Programme of Work on Protected Areas

Specific Objectives

- Parties and local and indigenous communities are encouraged to publish protected area proposals along with the respective needs
- Donors (donor countries, development banks, NGOs, private sector, foundations) are provided with a comprehensive overview on specific funding needs and are enabled to better channel and coordinate their support
- Partnerships for the financing of new protected areas are facilitated and financing for protected areas is significantly increased

Basic Structure

Webpage

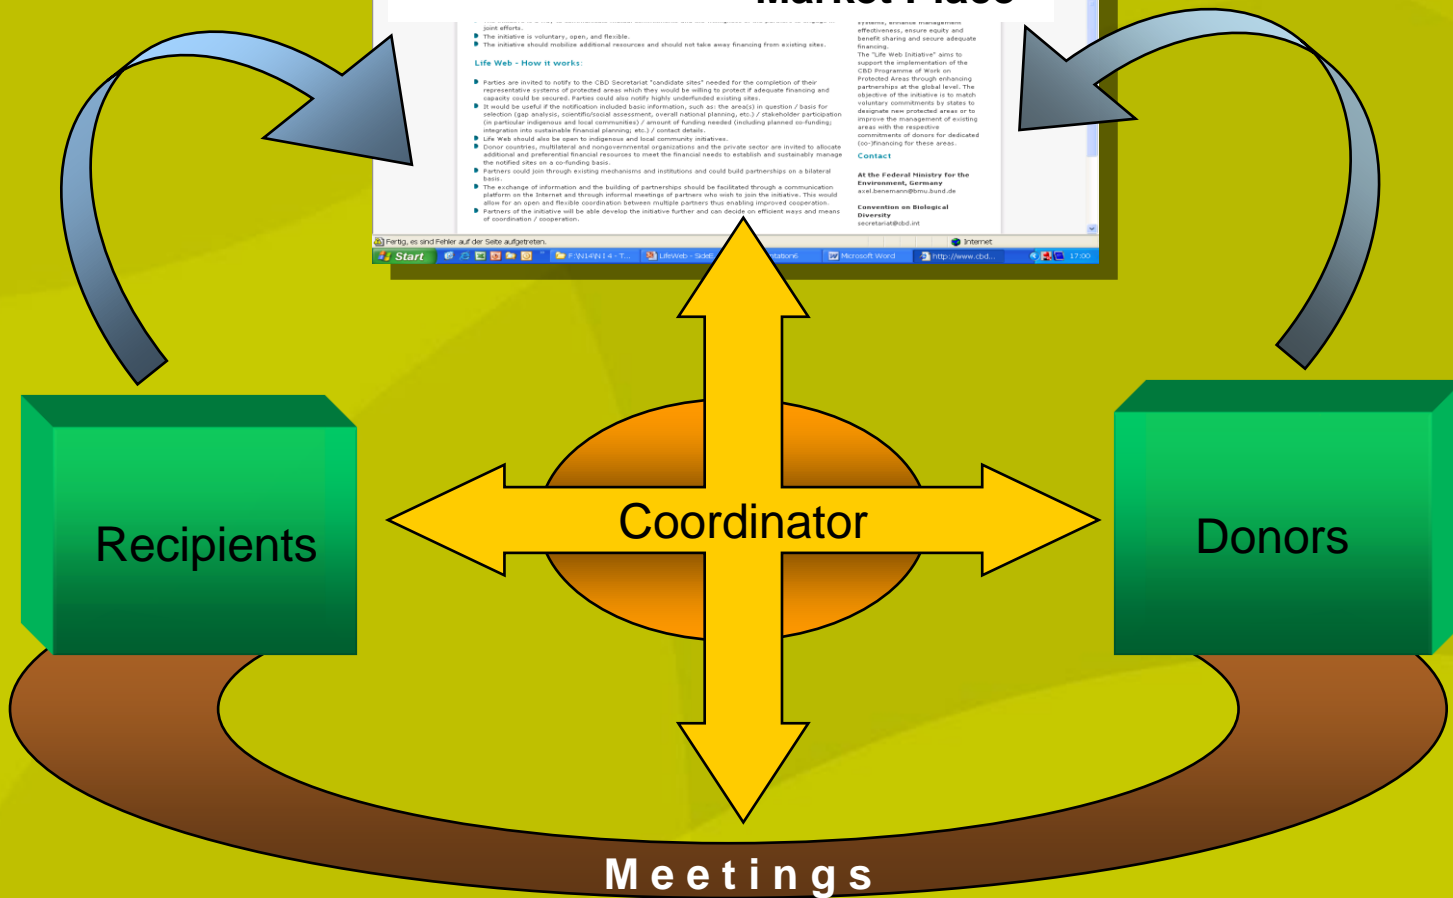

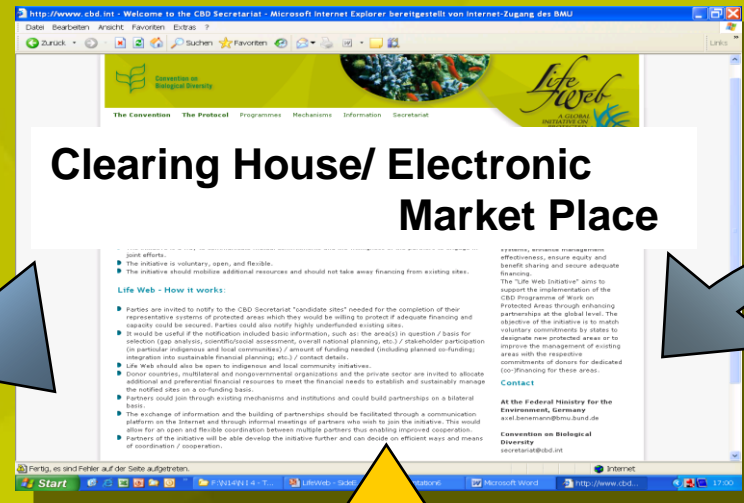

acts as a clearinghouse or electronic marketplace

Coordinator

promotion of the initiative, guidance to partners,
active networking

Meetings

marketplace/cooperation platform, networking,
search for concrete support, enhance coordination
