Dear Madam/Sir,

**Re: Eighth Meeting of the Subsidiary Body on Scientific, Technical and Technological Advice
(SBSTTA-8), 10-14 March 2003**

and

**Open-ended Inter-sessional Meeting on the Multi-year Programme of Work of the Conference
of the Parties up to 2010 (MYPOW), 17-19 March 2002**

I have the honour to inform you that the eighth meeting of the Subsidiary Body on Scientific, Technical and Technological Advice (SBSTTA-8) will be held in Montreal, Canada, from 10 – 14 March 2003. The meeting will be followed by an Open-ended Inter-sessional Meeting on the Multi-year Programme of Work of the Conference of the Parties up to 2010 (MYPOW), from 17 – 19 March 2003 to be held at the same venue. The latter meeting is organized pursuant to decision VI/28 of the sixth meeting of the Conference of the Parties (COP) to the Convention on Biological Diversity.

Please note that while decision VI/28 calls for the MYPOW meeting to be of a two-day duration, and taking into consideration the provisional agenda of the meeting, including the need to review the outcome of the World Summit on Sustainable Development and its potential impact on the work programme of the Secretariat, the Bureau of the sixth meeting of the Conference of the Parties was of the view that the meeting should extend over a three-day period instead of the two days originally envisaged.

I am pleased to attach herewith the provisional agendas and the pre-registration forms for both meetings as well as the Information for Participants Note. The pre-session documentation of the two meetings will be made available as soon as finalized. These documents will also be accessible at the Secretariat's web page at www.biodiv.org.

Subject to the availability of contributions to the Special Voluntary Trust Fund (BZ) established by decision V/22 for facilitating participation of Parties in the Convention process, the Secretariat will be in a position to finance the participation of **one** representative from each of the developing countries Party to the Convention, in particular, the least developed countries and the small island developing states and countries with economies in transition to **both** meetings.
