REMINDER

NOTIFICATION

Subject: Additional Information for In-depth Review of Implementation of Programme of Work on Agricultural Biodiversity

Dear Madam/Sir,

Please refer to the Secretariat's earlier communication (Ref.: SCBD/STTM/RK/JM/54744) dated 29 June 2006, calling for information additional to that in the third national report, which is considered useful for the in-depth review of the programme of work on agricultural biodiversity.

As the deadline originally set for these contributions has passed, Parties that have not already done so are reminded to provide their submissions to the Secretariat as soon as possible but **no later than 31 May 2007**, to allow adequate time for preparing the review for consideration by the thirteenth meeting of the Subsidiary Body on Scientific, Technical and Technological Advice prior to the ninth meeting of the Conference of the Parties to the Convention on Biological Diversity (CBD).

The prior notification is available, for ease of reference, on the CBD website at the following link: <http://www.biodiv.org/doc/notifications/2006/ntf-2006-079-agro-en.pdf>

Please accept, Madam/Sir, the assurances of my highest consideration.
