NOTIFICATION

Subject: **Documents for the Ad Hoc Open-ended Working Group on Review of
Implementation of the Convention (WGRI-2),
9-13 July 2007, Paris**

Dear Madam/Sir,

I wish to inform you that documents for the second meeting of the Ad Hoc Open-ended Working Group on Review of Implementation (WGRI-2) to be held in Paris, France on 9-13 July 2007 are now being made available in final form on the Convention's website at: <http://www.cbd.int/doc/meeting.aspx?mtg=WGRI-02>. Documents are currently available in English and will be available in all UN languages in early June 2007. Further background information about the meeting of the Working Group is available at: www.cbd.int/wgri-2. I wish to thank those Parties that contributed to the review of the drafts of these documents.

Please note that with a view of reducing the environmental impact of convention's processes, only one set of documents per delegation will be made available at the meeting venue. Delegations are strongly encouraged to bring to the meeting their own set of documents that can be downloaded from the secretariat's website.

Please accept, Madam/Sir, the assurances of my highest consideration.
