NOTIFICATION

Latin American and Caribbean Indigenous and Local Community Capacity Building Workshop on the Convention on Biological Diversity (CBD) including issues relevant to Article 8(j) Traditional Knowledge, and Access & Benefit-sharing

**Sixth Workshop: Preparatory to COP 10
Panama City, Panama, 11-13 August 2010**

Dear Madam/Sir,

I am pleased to inform Parties, international agencies, indigenous and local community representatives and other stakeholders that, thanks to the generous financial support from the Government of Spain, a regional capacity building workshop for indigenous and local community representatives on effective participation in the CBD processes, with a specific focus on Article 8(j) and ABS¹, will be held in Panama City, Panama, on 11 -13 August 2010.

The workshop aims specifically at building and strengthening capacity for indigenous and local community women, in order to ensure their full and effective participation in the CBD process towards and beyond the tenth meeting of the Conference of the Parties (COP 10), and also to grow and strengthen the number of indigenous and local community women who follow and are involved in CBD processes by enlarging networks and outreaching to new participants.²

I am pleased to invite interested indigenous and local community organizations to nominate representatives by sending to the Secretariat, an expression of interest and nomination by means of an official letter of designation and a recent curriculum vitae by **25 July 2010**, for consideration in the selection process. Participants will be selected on the basis of a fair and equitable sub-regional selection from all Latin American and Caribbean countries and relevant CVs, as well as the ability to disseminate information arising from the workshop. Participants selected will be notified by end-July. Successful applicants will be provided with economy air travel to and from Panama City, food and accommodation costs during the event.

I thank you for your cooperation and continued support to the work of the Convention.

Please accept, Madam/Sir, the assurances of my highest consideration.
