

## United Nations Decade on Biodiversity

Ref.: SCBD/SAM/DC/SK/LM/83300

24 April 2014

### NOTIFICATION

#### **Capacity-building workshop for Central, South and East Asia on ecosystem conservation and restoration to support achievement of the Aichi Biodiversity Targets Jeju, Republic of Korea – 14 to 18 July 2014**

Dear Madam/Sir,

I have the pleasure to announce that the Secretariat is organizing, in collaboration with the Food and Agriculture Organization of the United Nations (FAO), a capacity-building workshop for Central, South and East Asia on ecosystem conservation and restoration to support achievement of the Aichi Biodiversity Targets to be held from 14 to 18 July 2014 in Jeju, Republic of Korea. The workshop will be conducted in English. Meeting documents will be posted on the CBD website at <http://www.cbd.int/doc/meeting> in due course.

This workshop is part of a series being organized through the generous financial assistance of the Governments of Canada, Germany, Japan (through the Japan Biodiversity Fund), and the Republic of Korea, as well as the European Union. The aims of the workshop are to support Parties in:

- (a) The development of national targets and plans for ecosystem conservation and restoration within the framework of Aichi Biodiversity Targets 5, 11 and 15;
- (b) The integration of these targets and plans into updated National Biodiversity Strategies and Action Plans (NBSAPs) and mainstreaming into broader national policies, plans and programmes (in particular, for action plans on the Programme of Work on Protected Areas (PoWPA) with respect to decision X/31 (paragraph 1 (c)); and
- (c) The use of appropriate assessment, policy and planning tools to promote ecosystem conservation and restoration at appropriate levels.

Aichi Biodiversity Targets 5, 11 and 15 set quantitative global targets to reduce the loss of natural habitats, improve protected area networks and restore degraded areas. Target 5 calls for the rate of loss of natural habitats to be at least halved; Target 11 calls for the protection of at least 17 per cent of terrestrial and inland waters and 10 per cent of coastal and marine areas; and Target 15 calls for the restoration of at least 15 per cent of degraded ecosystems. There is a need for a coherent approach to the achievement of these area-based targets, including as they contribute toward, or depend on, achieving many other Aichi Biodiversity Targets (e.g. Targets 7, 12, 13, 14 and 18). Through this workshop, the Secretariat plans to offer capacity-building to Parties within an integrated, participatory, approach to promote holistic planning and implementation at the landscape level.

These capacity-building activities respond to multiple requests from the Conference of the Parties (COP) to the Executive Secretary including: paragraph 10 of decision XI/24, which requested the continued support for implementation of national action plans for the programme of work on protected areas (PoWPA), including through workshops and making available relevant tools; and paragraph 5 of

To: CBD National Focal Points: Bangladesh, Bhutan, China, Democratic People's Republic of Korea, India, Japan, Mongolia, Republic of Korea, Afghanistan, Iran (Islamic Republic of), Kazakhstan, Kyrgyzstan, Maldives, Nepal, Sri Lanka, Tajikistan, Turkmenistan, Uzbekistan; and relevant regional organizations engaged in conservation and restoration.

**Convention on  
Biological Diversity**

Secretariat of the Convention on Biological Diversity  
United Nations Environment Programme  
413 Saint-Jacques Street, Suite 800, Montreal, QC, H2Y 1N9, Canada  
Tel : +1 514 288 2220 Fax : +1 514 288 6588  
[secretariat@cbd.int](mailto:secretariat@cbd.int) [www.cbd.int](http://www.cbd.int)

decision XI/16, wherein the COP requested the Executive Secretary to make use of the information present in documents UNEP/CBD/COP/11/INF/17, 18 and 19 to conduct capacity-building workshops on ecosystem restoration. Furthermore, these activities will assist the Secretariat to report to the twelfth meeting of the COP on progress by Parties in integrating PoWPA action plans into revised NBSAPs and into relevant sectoral plans and budgets, as invited in paragraph 1 (c) of decision X/31.

***Submission of nominations from Governments***

I am pleased to invite your Government to nominate two representatives to participate in the workshop, as soon as possible but not later than **23 May 2014**. The nomination should be in the form of an official letter addressed to the Executive Secretary and signed by the national focal point, sent by fax to +1 (514) 288-6588 or e-mail to [secretariat@cbd.int](mailto:secretariat@cbd.int), and should include the nominee's full contact details, as well as a *curriculum vitae* clearly indicating the areas of expertise. Parties are requested to use the following criteria when submitting their nominations:

- (a) Participants must have experience in spatial planning for biodiversity, such as the protected area focal point, and/or be responsible for land-use/spatial planning, as well as be knowledgeable about their countries' NBSAP;
- (b) All participants must be capable of reporting on the current status of achieving the area-based Aichi Targets (5, 11 and 15), providing an assessment of needs, and liaising with key partners to facilitate support for follow up actions; and
- (c) All participants must be in a position to translate the knowledge gained into concrete actions.

In the weeks leading up to the workshop, the representatives will be provided with pre-work questions and asked to submit a case study and information on the status of restoration and conservation activities in their countries. Participants will also be offered the opportunity to benefit from online modules on key workshop themes, including protected areas. The capacity gained can be shared with staff in-country who may also take these modules.

The Secretariat will be in a position to support two experts from eligible Parties. A third expert from eligible Parties will be nominated through FAO channels and supported by the Republic of Korea.

***Submission of nominations from relevant regional organizations***

Relevant organizations are invited to nominate one expert to participate in this workshop. Nominations must be in the form of an official letter addressed to the Executive Secretary, signed by the head of the organization, sent by fax to +1 (514) 288-6588 or e-mail to [secretariat@cbd.int](mailto:secretariat@cbd.int) by **23 May 2014**. Please include the nominee's full contact details, as well as a *curriculum vitae* (CV) clearly indicating the areas of expertise.

I look forward to receiving your nominations and I thank you for your cooperation and continued support for the work of the Convention.

Please accept, Madam/Sir, the assurances of my highest consideration.

Braulio Ferreira de Souza Dias  
Executive Secretary
