Subject: Re: CBD Notification 2013-049 - REMINDER: Decision XI/30: Incentive measures
Decision XI/4: Review of implementation of the strategy for resource mobilization, including the establishment of targets

Dear Mr. Braulio Ferreira de Souza Dias,

On behalf of the Estonia please find enclosed the response to notification 2013-022: Decision XI/30: Incentive measures; Decision XI/4: Review of implementation of the strategy for resource mobilization, including the establishment targets.

Response to 2013-022: There is no concrete study about harmful incentive measures conducted in Estonia. Base on information currently know for us, there is no harmful incentive measures, which need to be eliminated, phased about or reformed in order to minimize or avoid negative impacts. Particular study about harmful incentive measures is also not targeted in Estonian Nature Development plan until 2020.

Sincerely,

Kadri Auväärt
