

## Global Partnership for Business and Biodiversity: National and Regional Initiatives Report

The Global Partnership for Business and Biodiversity: National and Regional Initiatives Report will serve as a guide for existing and future initiatives to refer to. It will include information from all initiatives on all the points seen below. The purpose of this report is to have the most essential and pertinent information about GPBB initiatives in one place, for easy access and visibility, as well as the up-to-date information as the annual report in each initiative's webpage. Because the makeup of each national and regional initiative is different, we hope this report highlights the key characteristics that comprise the GPBB initiatives.
