3. PAVILIONS

Pavilion 6x8m

Op. 1

55,000\$+20%VAT

The pavilion is designed in a 6 × 8 × 3.5 m (excluding triangular roof) format, combining solid and glass surfaces to create a balance between structure and openness.

With 2 entrance points, it ensures smooth visitor flow and convenient access.

The space includes integrated lighting and 2 standing AC units with a low-noise climate control system to maintain a comfortable indoor environment throughout the event.

The pavilion also features 1 or 2 built-in mini meeting rooms (upon request), providing areas for small meetings and private conversations.

Service includes

- Pavilion rental
- Electrical setup
- Wi-Fi connection
- Soundproof wall construction
- Daily cleaning will be provided
- External printed branding including the COP17 logo and the country/organization name and logo

*All prices are in USD

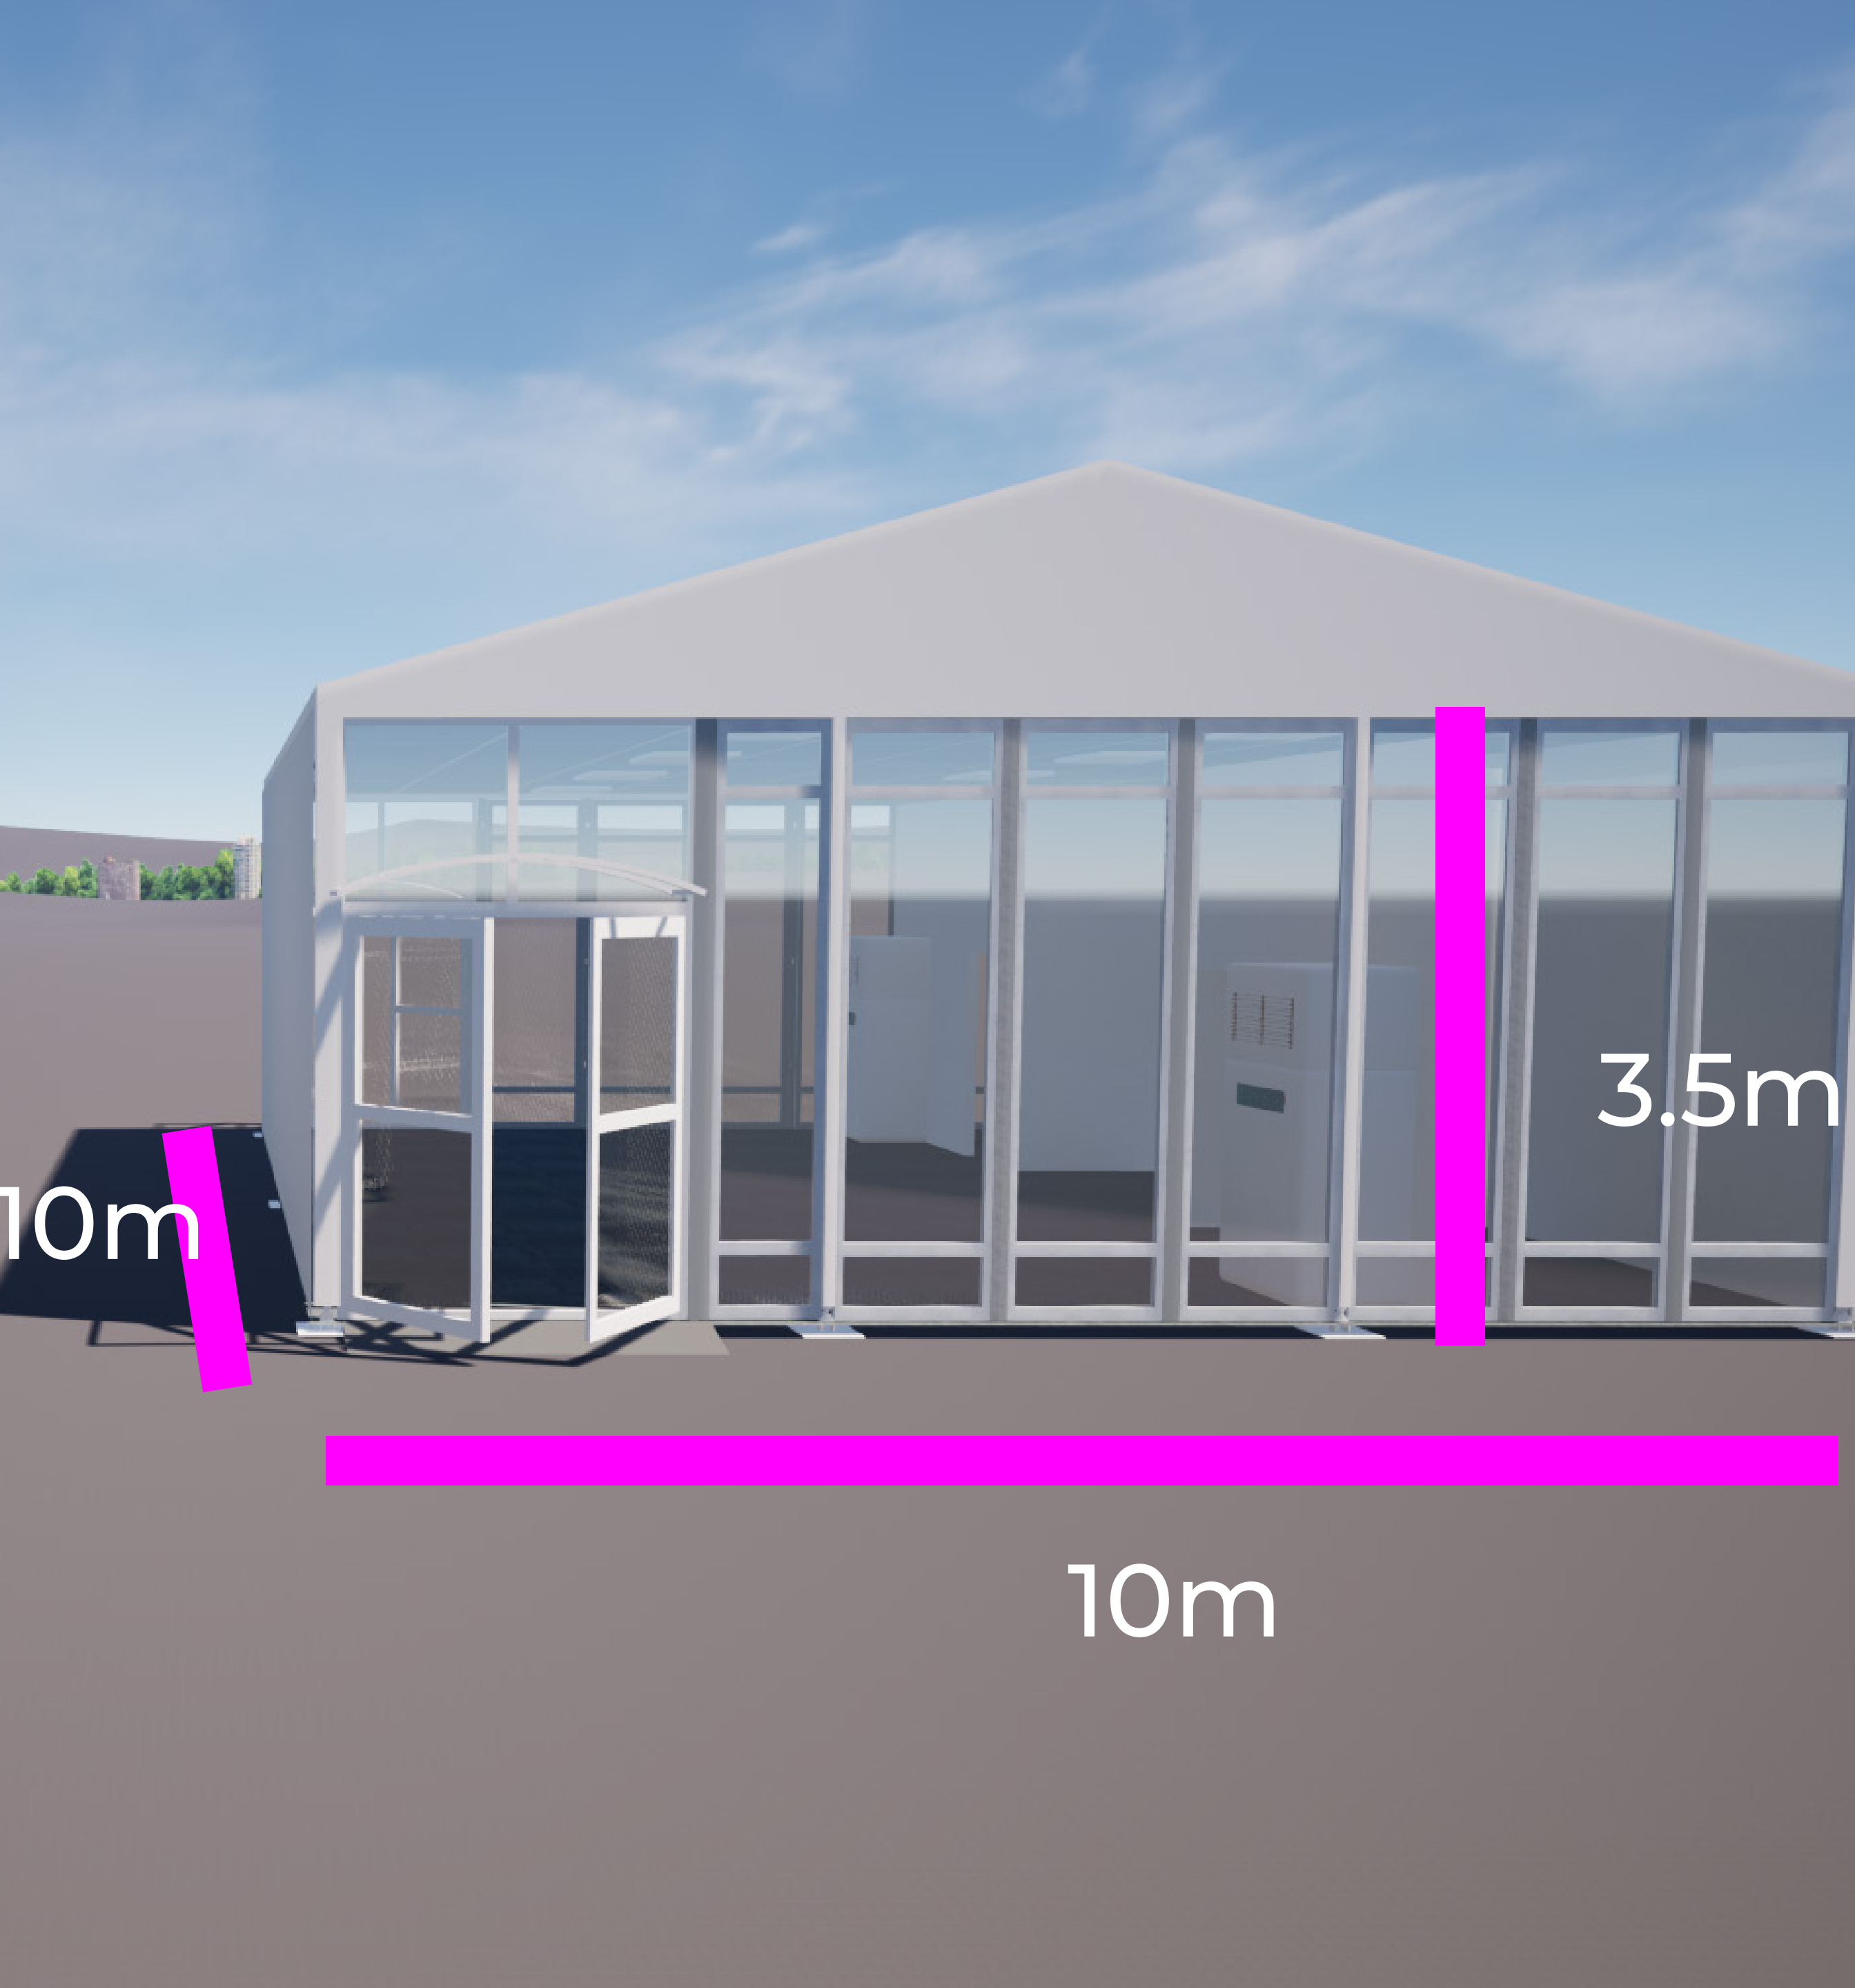

Additionally available upon request:

- Individual pavilion interior and exterior design based on client specifications
- Audio-visual solutions
- LED walls
- Printed materials and branding elements

Important notes:

- All furniture and design costs are calculated separately based on the approved design concept and technical requirements
- The furniture and design elements shown in examples are not included in the base cost and can be arranged as an additional service upon request (edited)

Pavilion 10x10m

70,000\$+20%VAT

Op. 2

The pavilion is designed in a 10 × 10 × 3.5 m (excluding triangular roof) format, combining solid and glass surfaces to create a balance between structure and openness.

With 2 entrance points, it ensures smooth visitor flow and convenient access.

The space includes integrated lighting and 2 standing AC units with climate control system with very low acoustic output to maintain a comfortable indoor environment throughout the event.

The pavilion also features 1 or 2 built-in mini meeting rooms (upon request), providing areas for small meetings and private conversations.

Service includes

- Pavilion rental
- Electrical setup
- Wi-Fi connection
- Soundproof wall construction
- Daily cleaning will be provided
- External print Branding with COP17 logo plus the Country or Organization name and logo

*All prices are in USD
