AD HOC TECHNICAL EXPERT GROUP
ON INVASIVE ALIEN SPECIES
Montreal, Canada, 2-4 December 2019

PROVISIONAL AGENDA

1. Opening of the meeting.
 2. Organizational matters: election of officers, adoption of the agenda and organization of work.
 3. Synthesis report of the Online Forum on Invasive Alien Species:
 - (a) Methods for cost-benefit and cost-effectiveness analysis which best apply to the management of invasive alien species;
 - (b) Methods, tools and measures for identification and minimization of additional risks associated with cross-border e-commerce in live organisms and the impacts thereof;
 - (c) Methods, tools and strategies for the management of invasive alien species as it relates to the prevention of potential risks arising from climate change and associated natural disasters and land-use changes;
 - (d) Risk analysis on the potential consequences of the introduction of invasive alien species for social, economic and cultural values;
 - (e) Use of existing databases on invasive alien species and their impacts to support risk communication;
 - (f) Suggestions made by the Online Forum on the elements of technical guidance.
 4. Elements of technical guidance on invasive alien species management measures to be implemented by broad sectors.
 5. Other matters.
 6. Adoption of the report.
 7. Closure of the meeting.
