Provision of advice on traditional knowledge for the global report on collective progress in the implementation of the Kunming-Montreal Global Biodiversity Framework

Draft recommendation submitted by the Chair

The Subsidiary Body on Article 8(j) and Other Provisions of the Convention on Biological Diversity Related to Indigenous Peoples and Local Communities,

Recalling decisions [15/6](#) of 19 December 2022 and [16/32](#) of 27 February 2025,

1. *Reiterates* its encouragement to Parties in subparagraphs 23 (c) and (d) of decision [15/6](#) of 19 December 2022;
2. *Stresses* the importance of including women and youth from indigenous peoples and local communities in the preparation of the seventh and eighth national reports;
3. *Welcomes* the contributions of indigenous peoples and local communities, women and youth to the implementation of the Kunming-Montreal Global Biodiversity Framework,¹ and stresses that these should be reflected in the global report on collective progress in the implementation of the Framework;
4. *Encourages* Parties to facilitate submissions on indigenous knowledge systems and traditional knowledge of indigenous peoples and local communities, including women and youth among them, obtained with their free, prior and informed consent, as appropriate, so that such information may be used in national biodiversity strategies and action plans and national reports, as well as in the global report on collective progress, including by providing capacity-building and financial and technical support for those efforts;
5. *Invites* indigenous peoples and local communities, including women and youth among them, and encourages Parties to provide extensive relevant information, when available, on actions by indigenous peoples and local communities, including women and youth among them, in relation

¹ Decision [15/4](#), annex.

to the implementation of the Framework, highlighting successes, challenges and possible gaps in the implementation of section C and Targets 13, 21, 22 and 23 of the Framework;

6. *Takes note with appreciation* of the case studies and other information on relevant traditional knowledge, innovations, practices and technology of indigenous peoples and local communities contained in document [CBD/SB8J/1/INF/2](#);

7. *Notes* that many of the sources of information for the global report on collective progress described in paragraph 18 of decision [16/32](#) of 27 February 2025 may include information related to traditional knowledge, innovations, practices and technology of indigenous peoples and local communities, including women and youth among them, provided by them with their free, prior and informed consent;²

8. *Also notes* that, in accordance with decision [16/32](#), the advice contained in the present recommendation should be considered in the production of the global report on collective progress and that the recommendation will be made available to the Subsidiary Body on Scientific, Technical and Technological Advice and the Subsidiary Body on Implementation;

9. *Requests* the Executive Secretary, under the guidance of the Ad Hoc Scientific and Technical Advisory Group for the Preparation of the Global Report on Collective Progress in the Implementation of the Kunming-Montreal Global Biodiversity Framework:

(a) To utilize the advice provided on traditional knowledge contained in the present recommendation when preparing the global report on collective progress;³

(b) To include in the informal technical dialogue, referred to in paragraph 24 of decision [16/32](#) and in subparagraph 7 (c) of recommendation 27/1 of 24 October 2025, the collection of inputs related to traditional knowledge, including the sharing of best practices, challenges, gaps and solutions, subject to the availability of resources;

10. *Also requests* the Executive Secretary, subject to the availability of resources:

(a) To work with relevant organizations to facilitate capacity-building and development activities, including by providing tools and guidance for sharing the information and data referred to in the present recommendation;

(b) To support indigenous peoples and local communities, including women and youth among them, to submit information on their commitments as actors other than national Governments, in line with notification No. [2025-132](#) and recommendation 27/1 of the Subsidiary Body on Scientific, Technical and Technological Advice, following the procedure in annex II to decision [16/32](#).

² “Free, prior and informed consent” refers to the tripartite terminology of “prior and informed consent”, “free, prior and informed consent” or “approval and involvement”.

³ The global report will be prepared in accordance with the guidance provided in recommendation 27/1 of the Subsidiary Body on Scientific, Technical and Technological Advice.
