Conference of the Parties to the Convention on Biological Diversity Sixteenth meeting

Cali, Colombia, 21 October–1 November 2024

Agenda item 16

Scientific and technical needs to support the implementation of the Kunming-Montreal Global Biodiversity Framework, including implications for the programmes of work of the Convention

Working Group II

Matters related to the work programme of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services

Draft decision submitted by the Chair of Working Group II

The Conference of the Parties,

Recalling decisions XI/13 C of 19 October 2012, XII/25 of 17 October 2014, 14/36 of 29 November 2018 and 15/19 of 19 December 2022,

Recalling also that, in paragraph 5 (e) of decision [XII/25](#), the Conference of the Parties requested the Executive Secretary to bring the deliverables of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services to the attention of the Subsidiary Body on Scientific, Technical and Technological Advice for its consideration with regard to the relevance of the findings for the work undertaken under the Convention on Biological Diversity¹ and for the submission, as appropriate, of recommendations to the Conference of the Parties,

Welcoming the decision by the Plenary of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services, at its tenth session, to undertake a fast-track methodological assessment on monitoring biodiversity and nature's contributions to people by its thirteenth session, a fast-track methodological assessment of integrated biodiversity-inclusive spatial planning and ecological connectivity by its fourteenth session and a scoping process for a second global assessment of biodiversity and ecosystem services by its eleventh session,² with a view to producing the second global assessment by its fifteenth session, as part of the rolling work programme of the Platform up to 2030,

Noting the ongoing close collaboration between the Secretariats of the Convention and of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services,

¹ United Nations, *Treaty Series*, vol. 1760, No. 30619.

² Decision IPBES-10/1 of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services.

1. *Takes note* of the information contained in the overview of previous and future assessments and, as appropriate, other deliverables of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services, including the schedule for consideration of deliverables by the Subsidiary Body on Scientific, Technical and Technological Advice contained in the annex to document CBD/SBSTTA/26/3/Add.1;

2. *Requests* the Subsidiary Body on Scientific, Technical and Technological Advice to consider the outputs of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services according to the schedule contained in the annex to the present decision;

3. *Invites* the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services to consider the following request, inter alia, and in no particular order, regarding potential additional assessments in the rolling work programme of the Platform:³

- (a) An assessment of pollution and biodiversity;
- (b) An assessment of cities and biodiversity;
- (c) An assessment of biodiversity and poverty;
- (d) An assessment of biodiversity and climate change;

[(e) An assessment of rights-based approaches, including those related to gender, the conservation and sustainable use of biodiversity and the fair and equitable sharing of benefits arising from the utilization of genetic resources.]

[4. *Invites* Parties and other Governments that are members of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services, to reflect on ways to include matters related to the human-rights based approach to the conservation and sustainable use of biodiversity in the scoping for future assessments, including the second global assessment;]

5. *Encourages* Parties to make use of, as appropriate, the assessments[and deliverables] of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services to support the implementation of the Framework, to engage with the review processes for the preparation of the assessments[and deliverables], where relevant, and to enhance communication, the sharing of information and coordination between the focal points of the Platform and of the Convention at the national level;

6. *Requests* the Executive Secretary:

(a) To facilitate the participation of the Executive Secretary of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services in meetings of the Liaison Group of Biodiversity-related Conventions, where relevant;

(b) To update the overview of previous and future deliverables of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services and their relevance in the decision-making of the Convention, as contained in the annex to the present decision, and make it available on the website of the Secretariat of the Convention [and at a meeting of the Subsidiary Body in each intersessional period];

(c) To continue its close cooperation with the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services and to liaise with the Secretariat of the Platform, with a view to analysing and identifying further ways in which the Platform may contribute to the implementation of the Framework and to its global review of collective progress, including by identifying opportunities to make use, as appropriate, of the deliverables for each of the four functions of the Platform;

³ Additional information on the requests is provided in document CBD/COP/16/INF/9, according to the requirements set out in the Procedure for receiving and prioritizing requests put to the Platform established by the Plenary of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services.

[(d) To provide an update on the uptake of the previous deliverables of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services and on joint activities with the Secretariat of the Platform to support the implementation of the Kunming-Montreal Global Biodiversity Framework⁴ at a meeting of the Subsidiary Body on Scientific, Technical and Technological Advice at each intersessional period.]

⁴ Decision 15/4, annex.
