The registration of representatives of Contracting Parties is subject to the receipt by the Secretariat of an official letter of nomination. The official letter of nomination shall be sent through diplomatic channels and must be received as soon as possible but **no later than 31 October 2018**. Earlier registration is encouraged, and is required for eligible delegations requesting financial support (see item 11 below).

The letter, which must indicate the names, titles and contact details and, when possible, passport number, of delegates nominated to attend the meetings, should be sent to the attention of the Executive Secretary at the address below:

Ms. Cristiana Paşca Palmer
Executive Secretary
Secretariat of the Convention on Biological Diversity

413 St. Jacques Street, Suite 800
Montreal, Quebec H2Y 1N9
Canada
Fax: + 1-514-288-6588
E-mail: secretariat@cbd.int

The nomination letter should clearly indicate the meeting that each delegate is officially designated to attend i.e. COP-14, CP-MOP-9 or NP-MOP-3, or all three meetings.

In accordance with rule 18 of the rules of procedure for meetings of the COP, which also applies, *mutatis mutandis*, to the COP-MOPs of the Cartagena and Nagoya Protocols, credentials of representatives of States Parties to the Convention and the Cartagena and Nagoya Protocols, as well as the names of alternate representatives and advisers, must be submitted to the Secretariat **no later than twenty-four hours** after the opening of the meetings in order to confirm that delegates have been duly appointed, authorized and empowered to represent their country at the meetings. Any later change in the composition of the delegation shall also be communicated to the Secretariat.

The credentials must be issued either by the Head of State or Government or by the Minister of Foreign Affairs or, in the case of a regional economic integration organization, by a competent authority of that organization. Parties to the Convention that are also Parties to Cartagena Protocol and/or Nagoya Protocol may submit one set of credentials covering the participation of their representatives in COP-14 and/or CP-MOP-9 and/or NP-MOP-3.

Original credentials, duly signed as indicated above, and prepared in one of the six official languages of the United Nations (Arabic, Chinese, English, French, Russian or Spanish) should be sent by mail to the Secretariat or deposited during the UN Biodiversity Conference with the staff of the Secretariat at the Credentials Desk located at the registration area at the conference venue. If the credentials have been issued in another language, a courtesy translation in English would be appreciated to facilitate their examination. A list of valid credentials will be posted on the website of the Convention at

<https://www.cbd.int/conferences/2018> and <https://www.cbd.int/doc/?meeting=COP-14>. The Secretariat strongly recommends that Parties verify that their credentials have been listed on the website.

In accordance with rule 19 of the rules of procedure, the Bureau will examine the credentials and submit its report to the COP and the COP-MOPs.

States that are not Parties to the Convention or to any of the Protocols are not required to provide the credentials of their representatives.

Sample formats of credentials are provided in **Annex A**.

Questions regarding credentials should be directed to Mr. Worku Damena Yifru (see item 26 below for contact details).

21. RIO CONVENTIONS’ PAVILION: SYNERGIES FOR SUSTAINABLE DEVELOPMENT

The Rio Conventions Pavilion is a collaborative outreach activity led primarily by the secretariats of the Rio Conventions and the Global Environment Facility (GEF).

The Rio Conventions Pavilion contributes to enhancing awareness-raising, information-sharing and outreach in the framework of the Rio Conventions, the Biodiversity Liaison Group, and interagency task forces related to the 2030 Agenda for Sustainable Development (CBD COP Decision IX/16), and to strengthening the collaboration between the Rio Conventions (UN General Assembly Resolution 64/203 of 14 December 2009).

The Pavilion is a multifunctional space where side events clustered into thematic days provide partners with a platform to showcase what they have done to realize synergy between the agendas of sustainable development and the biodiversity, climate change and combating desertification/land degradation, and to demonstrate how they will contribute in the future to sustainable development.

Principles of the Pavilion

- Highlighting and celebrating existing work by partners. The Pavilion has a strong focus on demonstrating the collaborative work of partners. Events that demonstrate collaboration either within thematic work, inter and intra sectorial work will be especially encouraged. The emphasis in presentations and events will be on showing lessons learned and holding dialogues / discussions on achieving greater synergies in the future.
- Providing an opportunity for capacity-development. An added feature of the Pavilion will be the opportunity for organizations to hold workshops, brainstorming sessions and dialogues during the event. The workshops should seek to further elaborate on the key themes of the Pavilion, and results in concrete outputs. Workshops can be organized by coalitions of partners.
- Creating new spaces for dialogue and communication. The Pavilion will include spaces that facilitate informal and dynamic dialogue.

Information on previous events held under the Rio Conventions Pavilion is available on the RCP website at www.riopavilion.org.

Parties and organizations will be invited to express their interest in providing input to the Rio Conventions Pavilion programme through a separate notification. Please direct any questions to Mr. David Ainsworth at david.ainsworth@cbd.int and include in the subject line “Rio Conventions Pavilion COP-14”.

24. SIDE-EVENTS

The Secretariat invites side events for COP-14, CP-MOP-9 and NP-MOP-3 which further enrich the discussions on items on the agenda of these meetings. Requests should be made using the **online** side-event submission system available on the website at www.cbd.int/side-events or on the meetings webpage. The deadline for receipt of requests is 15 September 2018. Requests received after the deadline will not be considered.

The new online system has many features. Participants are able to download their organization's logo, partner logos, upload their side event flyer and add links and other relevant information.

Preference will be given to side events which are of direct relevance to the issues that will be discussed at COP-14, CP-MOP-9 and NP-MOP-3. For ease of reference, the agendas for the meetings are accessible at <http://www.cbd.int/meetings/>.

If the number of applications exceeds the number of available slots, the number of side event requests will be limited. Partners may be encouraged to co-organize events on a similar topic.

After the deadline, all requests will be processed, subject to availability of rooms. Meeting rooms will be assigned, to the extent possible, on the indicated dates and time slots. The Secretariat will limit the capacity for organizations to register side events. However, it should be noted that side events may be rescheduled in the interest of the official sessions of the meetings.

A list of all the accepted side-events will be posted within a few weeks afterwards and all organizers will be notified directly via email. The list will be posted at: www.cbd.int/side-events.
