

## NON-PAPER

State of discussion in the friends of the co-leads of CG4 group on T19.1

### TARGET 19.1

1. Increase of what
2. Type of resources & source
3. How much
4. To where
5. Effectiveness and efficiency, domestic
6. New mechanisms (2 mentions)
7. Art. 20 (3 mentions)
8. Other elements (Climate/CBDR/payment for environmental services)

[In accordance with Article 20 of the Convention,]

[Progressively] [Substantially] [increase the level of] [increasing] [doubling] [mobilize and provide] [financial resources] [financial flows]

including [annual][new,additional, innovative and effective][timely and easily accessible] [from all sources, including domestic, international, public and private sources [from all] [public and private] [international] sources] [developed countries][countries with capacity to do so][developed country Parties] [new and additional financial resources][for the provision of financial resources to developing country Parties]

[by] [reaching] [at least] [US\$ 200 billion per year] [by 1 per cent GDP] [reaching] [by] at least [US\$ 10 billion per year] [at an increasing percentage] of at least \$100 billion dollars annually until 2030, an amount to be revised for the 2030-2050 period]

to [developing countries] [in need of support to deliver on their NBSAPs in light of their capacities][and IPLCS] [to developing countries][for the implementation, by all Parties, of the Convention through the post-2020 global biodiversity framework] [to address the needs of developing countries to effectively implement the Convention through the post-2020 global biodiversity framework]

[by 2030,] including by

(a) [through direct access modalities] [avoiding double-counting] by 2030 [in form of international grants], [acknowledging common but differentiated responsibilities,]

(b) leveraging private finance,

(c) domestic resource mobilization [including through addressing sovereign debt in just and equitable ways] [by 2030][, and

[(d) establishing a new international financing instrument.]

[(e) building on climate financing] while enhancing the effectiveness[, efficiency and transparency] of resource use and [developing and implementing] [taking into account] national biodiversity finance plans or [similar instruments].]

[f) Stimulating innovative schemes such as payment for environmental services]

*Alt 2*

[for biodiversity, aligning them with the post-2020 global biodiversity framework. Enhance the effectiveness, efficiency and transparency of such resources use[, through the use of national biodiversity finance plans or similar instruments].]

*Alt 3*

[A. made available.

B. shall, in line with Article 20 of the Convention. Such financial mobilization and provision is separate and distinct from those under UNFCCC and its Paris Agreement, as well as of their official development assistance. By 2023, establish a global biodiversity fund that is fully operational by 2025, to serve as a dedicated mechanism as determined in Articles 20 and 21 of the Convention, complemented with the Global Environment Facility.]
