I. DECISION ADOPTED BY THE CONFERENCE OF THE PARTIES TO THE CONVENTION ON BIOLOGICAL DIVERSITY AT ITS SECOND EXTRAORDINARY MEETING

EM-2/1. Interim budget for the programme of work of the Convention on Biological Diversity, for the year 2021

The Conference of the Parties,

Recalling its decision [14/37](#), in which it approved the budget for the biennium 2019-2020, and requested the Executive Secretary to prepare proposals for the budget for the biennium 2021-2022,

Considering that the fifteenth meeting of the Conference of the Parties has been postponed until 2021 due to constraints arising from the COVID-19 pandemic,

Noting the need, therefore, to make arrangements to allow the continued functioning of the bodies and processes of the Convention, including its Secretariat and the meetings of the Conference of the Parties and its subsidiary bodies,

Taking note of the proposal of the Bureau of the Conference of the Parties that, on an exceptional basis, the Parties consider and approve an interim budget for 2021 through agreed modalities,

Recalling its decision 14/37, table 1b, whereby two (2) meetings of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework were included in the core budget, with any additional meetings to be held subject to the availability of resources, and noting that the holding of the second meeting of the Working Group in Rome, in February 2020, due to the COVID-19 pandemic situation has consequences for the funding of a third meeting of the Working Group,

Taking note of the note by the Executive Secretary,¹

Recognizing the exceptional nature of the circumstances arising from the pandemic and expressing solidarity among all Parties as they face its human and economic impacts,

1. *Confirms* that the present decision is supplementary to decision 14/37, which remains in effect until the next ordinary meeting of the Conference of the Parties and whose provisions will apply also to the year 2021, unless otherwise provided for in the present decision;

2. *Decides* to extend up to 31 December 2021, or, in the case that the fifteenth meeting of the Conference of the Parties is not held during 2021, until the end of the month following the closure of the fifteenth meeting of the Conference of the Parties, the validity of the funds allocated in the 2019-2020 budget associated with the costs of the meetings of the Conference of the Parties and its subsidiary bodies that are postponed from the biennium 2019-2020, and authorizes the carry-over of these funds, estimated at 2,815,653 United States dollars to be spent in 2021 for the purposes listed in table 1 below;

3. *Approves*, on an exceptional basis, a core programme budget for the Convention of 12,411,743 United States dollars for the year 2021, representing 74 per cent of the integrated interim budget of 16 772 626 United States dollars for the year 2021, for the purposes listed in tables 2a and 2b below;

4. *Decides* to share all costs for secretariat services among the Convention, the Cartagena Protocol and the Nagoya Protocol on a ratio of 74:15:11 for the year 2021;

5. *Expresses* its appreciation to the Government of Canada as the host country for its renewed support to the Secretariat, and *welcomes* the contribution of 2,072,000 Canadian dollars for the year 2021 from the host country and the Province of Quebec for the rental and associated costs of the Secretariat in Montreal, to be allocated on a ratio of 74:15:11 and to offset contributions from the Parties to the Convention, the Cartagena Protocol and the Nagoya Protocol, respectively, for the year 2021;

¹ CBD/ExCOP/2/2.

6. *Adopts* the scale of assessments for the apportionment of expenses for 2021 in accordance with the current scale of assessments of the United Nations as contained in table 4 below;

7. *Also adopts* the staffing table (table 3) of the Secretariat for the year 2021, to be used for costing purposes to set the overall budget;

8. *Requests* the Executive Director of the United Nations Environment Programme to provide information relevant to a review of the post of Deputy Executive Secretary for the Conference of the Parties at its fifteenth meeting, for consideration in the context of the overall staffing needs of the Secretariat;

9. *Authorizes* the Executive Secretary to enter into commitments up to the level of the approved budget, drawing on available cash resources, including unspent balances, contributions from previous financial periods and miscellaneous income, in accordance with decisions of the Conference of the Parties and the Financial Regulations and Rules of the United Nations Environment Programme;

10. *Also authorizes* the Executive Secretary to transfer resources among the programmes, between each of the main appropriation lines set out in table 2b below up to an aggregate of 15 per cent of the total programme budget, provided that a further limitation of up to a maximum of 25 per cent of each such appropriation line shall apply;

11. *Acknowledges* the extraordinary circumstances arising from the pandemic and agrees on an exceptional basis to deviate from footnote 4 of table 1b of decision 14/37, and to allow for the use of up to \$395,500 from the reserves for the third meeting of the Working Group on the Post-2020 Global Biodiversity Framework to support the development of the post-2020 global biodiversity framework if voluntary finance is not found by 31 December 2020;

12. *Requests* the Executive Secretary to continue to actively make calls for voluntary contributions until that date;

13. *Invites* all Parties to the Convention to note that contributions to the core programme budgets (BY, BG and BB) are due on 1 January of the year for which those contributions have been budgeted and to pay them promptly, and *requests* that Parties be notified of the amount of their contributions as early as possible in the year preceding the year in which the contributions are due;

14. *Notes with concern* that a number of Parties have not paid their contributions to the core budgets (BY, BG and BB Trust Funds) for 2020 and prior years, including Parties that have never paid their contributions, and emphasizes the urgency for the Secretariat to find economies and savings to conduct operations amid uncertain circumstances;

15. *Notes* that the trust funds for the Convention and its Protocols (BY, BG and BB) should be extended for a period of two years beginning 1 January 2022 and ending 31 December 2023, and *requests* the Executive Director of the United Nations Environment Programme to seek the approval of the United Nations Environment Assembly for their extension;

16. *Notes* that the voluntary trust funds (BE, BZ, VB) for the Convention and its Protocols should be extended for a period of four years beginning 1 January 2022 and ending 31 December 2025, and *requests* the Executive Director of the United Nations Environment Programme to seek the approval of the United Nations Environment Assembly for their extension;

17. *Affirms* that this decision is without prejudice to further decisions to be taken by the Conference of the Parties at its fifteenth meeting, and agrees to review, at its next ordinary meeting, the modalities for following up on budgetary decisions during the intersessional period;

18. *Requests* the Executive Secretary:

(a) To take into account the present decision in preparing budget proposals for the biennium 2021-2022, in line with decision 14/37, paragraph 48;

(b) To also prepare budget proposals for the period 2023-2024, pending a decision by the Conference of the Parties and the Conference of the Parties serving as the meetings of the

Parties to the Cartagena and Nagoya Protocols regarding the dates for their sixteenth, eleventh and fifth meetings, respectively.

5. Expressing her solidarity with Parties and all representatives to those extraordinary meetings that were taking place at such extraordinarily challenging times, in their fight against the COVID-19 pandemic, she set out the organizational matters and circulated a note explaining the silence procedure. The President circulated for adoption a draft decision containing a proposed interim budget for the year 2021 as contained in document CBD/ExCOP/2/L.2.

ITEM 2. ORGANIZATIONAL MATTERS

Officers

6. Consistent with rule 21, paragraph 2, of the rules of procedure, the current President and Vice-Presidents served as the Bureau of the second extraordinary meeting of the Conference of the Parties.

Adoption of the agenda

7. The provisional agenda (CBD/ExCOP/2/1), which had been prepared and notified to Parties and observers earlier by the Executive Secretary in accordance with rules 8 and 13 of the rules of procedure, was adopted in accordance with the explanation provided in paragraphs 11 and 12 of the annotated provisional agenda (CBD/ExCOP/2/1/Add.1).

Organization of work

8. The extraordinary meeting was held remotely through a written silence procedure as described in paragraphs 13 and 14 of the annotated provisional agenda and further supplemented by the communication of the President (CBD/ExCOP/2/L.5) for the purpose of the resumed session. A brief further explanation of the procedure was annexed to the opening communication (CBD/ExCOP/2/L.3) by the President.

9. On 19 November 2020, the extraordinary meeting was suspended by the President. A resumed session was held from Wednesday, 25 November 2020, at 7 a.m. Montreal time (UTC 12 noon), for a silence period of 48 hours, and scheduled to be closed on Friday, 27 November 2020, at 8 a.m. Montreal time (UTC 1 p.m.), one hour after the expiry of the silence period.

ITEM 3. REPORT ON THE CREDENTIALS OF REPRESENTATIVES TO THE SECOND EXTRAORDINARY MEETING OF THE CONFERENCE OF THE PARTIES

10. It was reported that 136 Parties to the Convention were registered for the second extraordinary meeting of the Conference of the Parties. In accordance with rule 19 of the rules of procedure, the Bureau reported that the representatives of 97 Parties to the Convention had submitted by 26 November 2020 credentials that fulfilled the requirements of rule 18 of the rules of procedure. In her communication to representatives on 19 November 2020 (CBD/ExCOP/2/L.4), the President announced that the nominations of representatives of Parties and credentials received for the purpose of the extraordinary meetings would be maintained for the resumed session, unless withdrawn or changed by the Parties concerned.

11. The President expressed her thanks to Ms. Helena Brown, the Bureau member from Antigua and Barbuda, for her diligent work, in reviewing, on behalf of the Bureau, the credentials of representatives registered for the meeting.

12. In her closing communication, on 27 November 2020, the President reminded representatives that had not yet done so to submit their credentials as soon as possible and no later than 31 December 2020 and requested the Secretariat to follow up with the Parties concerned.

ITEM 4. PROPOSED INTERIM BUDGET FOR 2021

13. The draft decision on the proposed interim budget that was submitted to representatives for their consideration and adoption was the outcome of review and consultations by the informal group that had been established under the guidance of the Bureau and notified to Parties and observers on 6 October 2020 ([notification-2020-079](#)). In her opening communication on 16 November 2020, the President expressed her gratitude, on behalf of the Bureau and on her own behalf, to Ambassador Spencer Thomas of Grenada for efficiently coordinating and facilitating the work of the informal group.

14. The draft decision on the interim budget for 2021 (CBD/ExCOP/2/L.2) was placed under the silence procedure until 7 a.m. Montreal time (UTC 12 noon) on Thursday, 19 November 2020, for consideration and adoption. In her communication to representatives on 19 November 2020 (CBD/ExCOP/2/L.4), the President announced that the silence had been broken and the proposed decision could not be adopted due to a comment that had been submitted by Brazil seeking the insertion of a footnote in the draft decision, and that it had been decided, after consultation with the Bureau, to suspend the meeting to allow consultations to resolve the issue.

15. The resumed session was held from Wednesday, 25 November 2020, at 7 a.m. Montreal time (UTC 12 noon), for a silence period of 48 hours.

16. In her opening communication of the resumed session, on 25 November 2020, the President reported that the necessary consultations, facilitated by the Presidency and the Bureau, had been held during the few days following the suspension of the meeting. She resubmitted, with no changes, the proposed interim budget for year 2021 (CBD/ExCOP/2/L.2) for adoption.

17. In her closing communication, on 27 November 2020, the President announced that the silence had not been broken during the preceding 48 hours and, therefore, the proposed interim budget for the programme of work of the Convention on Biological Diversity, for the year 2021 (CBD/ExCOP/2/L.2) was adopted. She further stated that the silence procedure applied to the meeting had helped the meeting achieve its objectives.

18. The representative of Brazil made the following statement and requested that it be included in the report on the meeting:

“The approval of the budget is without prejudice to the format and organization of work of negotiating sessions of the Subsidiary Body on Scientific, Technical and Technological Advice and the Subsidiary Body on Implementation. We note that there is currently no consensus among Parties to the Convention on the convenience and feasibility of holding formal virtual meetings and negotiations.”

19. The President expressed thanks to all representatives for their understanding and cooperation.

ITEM 5. ADOPTION OF THE REPORT

20. As indicated in paragraph 22 of the annotated provisional agenda, and as updated later through the communications by the President, the communications constitute the outline of the present report (CBD/ExCOP/2/L.1).
