In decision [NP-3/15](#), the Conference of the Parties serving as the meeting of the Parties to the Nagoya Protocol welcome decision 14/34 of the Conference of the Parties and invited Parties to the Protocol to participate in the process for developing the post-2020 global biodiversity framework.

20. In decision [14/17](#), the Conference of the Parties requested the Ad Hoc Open-ended Working Group on Article 8(j) and Related Provisions to develop, at its eleventh meeting, proposals for possible future work as well as institutional arrangements and their modus operandi. In other decisions, such as those on resource mobilization, the financial mechanism and capacity-building, the Conference of the Parties determined a process for issues relating to the post-2020 global biodiversity framework.

21. At its first meeting, the Open-ended Working Group on the Post-2020 Global Biodiversity Framework invited the Subsidiary Body on Implementation to bring to its attention any additional recommendations relevant to the post-2020 global biodiversity framework (see [CBD/WG2020/1/5](#), sect. I).

22. The Open-ended Working Group on the Post-2020 Global Biodiversity Framework at its second meeting invited the Subsidiary Body on Implementation at its third meeting, “in line with paragraph 18 of

It will also address proposals for the date, venue and periodicity of upcoming meetings of the Conference of the Parties and of the Conference of the Parties serving as the meetings of the Parties to the Protocols.

24. To assist the Subsidiary Body in these tasks, the Executive Secretary will issue document CBD/SBI/3/4, which will be supported by addendums and information notes as may be deemed necessary. This document will provide the Co-Chairs of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework and the Executive Secretary with elements to consider when preparing the first draft of the global biodiversity framework, as requested by the Working Group at its second meeting. The document will be issued six weeks prior to the third meeting of the Working Group.

25. In decision [CP-9/7](#), the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol on Biosafety agreed on a process for developing a specific implementation plan for the Cartagena Protocol. Furthermore, in decision [CP-9/3](#), the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol acknowledged the need for a specific action plan for capacity-building for implementation of the Cartagena Protocol and its Supplementary Protocol that is aligned with the implementation plan and complementary to the long-term strategic framework for capacity-building beyond 2020. The decisions set out processes for developing the two plans, including consideration by the Subsidiary Body on Implementation at its third meeting.

26. To assist it in this task, the Subsidiary Body on Implementation will have before it the text of the draft plans as well as an overview of the consultative process by which they were developed (CBD/SBI/3/18). The Plans are presented alongside each other to facilitate their alignment and complementarity and to avoid duplication.

27. Only Parties to the Cartagena Protocol will participate in decision-making on this item during the meeting of the Subsidiary Body.

ITEM 6. RESOURCE MOBILIZATION AND FINANCIAL MECHANISM

A. Resource mobilization

28. In decision [14/22](#), the Conference of the Parties affirmed that resource mobilization would be an integral part of the post-2020 global biodiversity framework and decided to initiate preparations on this component at an early stage in the process of developing the framework, in full coherence and coordination with the overall process for the post-2020 framework. As part of the process for considering this issue, the Executive Secretary was requested to contract a panel of experts to prepare reports on several issues related to the development of the resource mobilization component (decision [IX/11](#), annex) to help inform the work of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework and the Conference of the Parties.

29. The Subsidiary Body on Implementation may wish to review the outputs of this process as provided in document CBD/SBI/3/5 and the associated addendums and information notes and to develop its recommendation, based on the contribution of the panel of experts, for consideration by the Open-end Working Group on the Post-2020 Global Biodiversity Framework at its third meeting and the Conference of the Parties at its fifteenth meeting.
