Canadian citizens, including dual citizens, and Canadian permanent residents cannot apply for an eTA.

Applying for the eTA is an online process which takes only a few minutes to complete. The eTA will be valid for 5 years or upon expiry of your passport. There is a fee of CAN \$7.00 for the electronic travel authorization (eTA).

An application will not go forward without the biometric information. The CIC will send you a biometric instruction letter by email through your MyCIC account when they receive your application. Read and print this letter and bring it, along with your passport or other travel document, to a visa application centre (VAC) to give your biometrics. Find your closest VAC.

**Important:** Please continuously check your MyCIC visa application account for any incoming e-mails, queries, requests for more information, and responses from the visa office.

To facilitate the issuance of visas, the Secretariat will issue upon request invitation letters to be attached to the visa applications.
