

## Convention on Biological Diversity

Distr.: Limited  
30 October 2024

Original: English

### Conference of the Parties to the Convention on Biological Diversity Sixteenth meeting

Cali, Colombia, 21 October–1 November 2024

Agenda item 14

#### Implementation of Article 8(j) and related provisions

### **Role of people of African descent, comprising [collectives] embodying traditional lifestyles in the implementation of the Convention on Biological Diversity**

#### **Draft decision submitted by the Chair of Working Group I**

*The Conference of the Parties,*

*Appreciating* the efforts of Colombia in hosting the sixteenth meeting of the Conference of the Parties to the Convention on Biological Diversity,<sup>1</sup> in Cali, Colombia, and highlighting the contributions of people of African descent, comprising [collectives<sup>2</sup>] embodying traditional lifestyles,<sup>3</sup>

*Noting* the submission from Brazil and Colombia contained in information document CBD/COP/16/INF/35,

*Recalling* decision 15/4 of 19 December 2022, by which the Conference of the Parties adopted the Kunming-Montreal Global Biodiversity Framework,<sup>4</sup> including its section C, and considering the whole-of-society approach,

*Recognizing* the role of indigenous peoples and local communities in the implementation of the Convention,

*Recognizing also* the crucial role that efforts and actions that people of African descent, comprising [collectives] embodying traditional lifestyles, play in conserving biodiversity and in the implementation of the Convention in some countries, with positive contributions at the global level, as well as in the implementation of national biodiversity strategies and action plans, as appropriate,

1. *Invites* Parties, as appropriate, in line with national legislation or circumstances, to [recognize][welcome] the contributions of people of African descent, comprising [collectives]

<sup>1</sup> United Nations, *Treaty Series*, vol. 1760, No. 30619.

<sup>2</sup> The term “collectives” [refers to a form of organization and] is used in the present decision to convey the collective cultural identity of those groups, distinguish them from individuals, emphasizing the traditional lifestyles and interconnected social bonds that they share.]

<sup>3</sup> In certain countries, people of African descent can be organized as [collectives] embodying traditional lifestyles relevant for the conservation and sustainable use of biological diversity. References to people of African descent, comprising [collectives] embodying traditional lifestyles, in the present decision are not intended to modify the text of the Convention or its Protocols.

<sup>4</sup> Decision 15/4, annex.

embodying traditional lifestyles, their shared knowledge and connection with their lands in the implementation of the Convention on Biological Diversity and the Kunming-Montreal Global Biodiversity Framework, while ensuring that nothing in such recognition may be construed as diminishing or extinguishing the rights that indigenous peoples currently have or may acquire in future;

2. *Encourages* Parties, as appropriate, in line with national legislation and circumstances, to facilitate the full and effective participation of people of African descent, comprising [collectives] embodying traditional lifestyles, in implementing the Convention and the Framework, and to collaborate with them to protect and promote their shared knowledge, innovations and practices that support the conservation and sustainable use of biodiversity;

3. *Invites* Parties, other Governments and relevant organizations, on a voluntary basis, to consider providing financial support and enhancing capacity-building to protect the shared knowledge, innovations and practices of people of African descent, comprising [collectives] embodying traditional lifestyles;

4. *Encourages* Parties, as appropriate, and subject to national legislations and national circumstances, to communicate through their national reports on the contributions of people of African descent, comprising [collectives] embodying traditional lifestyles, to the implementation of the Convention and the Framework for the information of the subsidiary bodies, as appropriate, and requests the Executive Secretary to compile the information submitted and make it available through the clearing-house mechanism.
