| Comments on national situation |
|---|
| <p>Now, Indonesia is being establish the CHM web. Some of the data has already collected but need to be compiled. Ministry of environment and forestry has responsible to do it . To build that web, we get a sponspor from the US AID (through the local NGO) and will be operated on midle of 2018.</p> <p>So, this training workshop on CHM will be very helpful to succes on establishing the national CHM Web.</p> |

| Strategic Vision |
|---|
| <p>As has been stated on the Indonesian Biodiversity Strategic and Action Plan (IBSAP) 2015 – 2020, is to maintaining the biodiversity of Indonesia, as well as to realize of the development of biodiversity to meet sustainably on improving the welfare of the society for today and future.</p> |

| Comments on roadmap |
|--|
| The roadmap is not a final dokument but only for training purposes. The draft of roadmap should be communicated and coordinate to all relevant stakeholders or anyone that will influce to the roadmap to involve in the planning process. |

| Cooperation opportunities / Type of support needed |
|--|
| <p>The main support that we need now is the outcome of this training.</p> <p>The second support is assistnce from our ministry</p> |

Thank you!
