6. Visa information

Participants from countries listed in **annex A** below require an entry visa for Canada and are strongly advised to contact the nearest Canadian diplomatic or consular mission **as soon as possible** in order to secure the required entry visa in a timely manner, prior to departure. **Please note that airline companies will not allow boarding in the absence of a valid visa.**

Information on visa procedures, including a list of relevant Canadian diplomatic/consular missions abroad, is available on the web site of Citizenship and Immigration Canada (CIC) at: <http://www.cic.gc.ca/english/information/offices/apply-where.asp>.

A number of countries also require Biometrics (fingerprints and photos) in order to enter Canada on a visa. These are listed in annex A below with an asterisk. Information can be found at the following link: <http://www.cic.gc.ca/english/visit/biometrics.asp>.

On-line visa application:

Anyone can apply online for a visa to enter Canada. However individuals who are required to provide biometrics still need to present themselves at a visa application centre (VAC) to provide this information. An application will not go forward without the biometric information. The CIC will send you a biometric instruction letter by e-mail through your MyCIC account when they receive your application. Read and print this letter and take it, along with your passport or other travel document, to a VAC to give your biometrics. Find your closest VAC.

Important: Please check your MyCIC visa application account continuously for any incoming e-mails, queries, requests for more information, and responses from the visa office.

Visa-exempt foreign nationals must obtain an Electronic Travel Authorization (eTA) to fly to or transit through Canada. Travellers are required to have an eTA before they can board a flight to Canada. Exceptions include U.S. citizens and travellers with a valid Canadian visa. Canadian citizens, including dual citizens, and Canadian permanent residents cannot apply for an eTA.

Applying for the eTA is an online process which takes only a few minutes to complete. The eTA will be valid for five years or upon expiry of your passport. There is a fee of CAN \$7.00 for the electronic travel authorization (eTA).

The eTA link is as follows: <http://www.cic.gc.ca/english/visit/visas.asp>

To facilitate the issuance of visas, the Secretariat has issued invitation letters and visa-assistance letters to be attached to the visa applications.

7. Hotel information

Participants are kindly reminded that **they must make their own hotel reservations, and that they should do so as soon as possible.**

Below is an indicative list of hotels (**Annex B**) located in the vicinity of the venue or close to a Metro (subway) station. Note that hotels are offering special room rates. Please see the information provided in the annex.
