COMMUNITIES ON THE POST-2020
GLOBAL BIODIVERSITY FRAMEWORK
Online, 2-3 and 5-6 August 2021

ANNOTATED PROVISIONAL AGENDA

1. At its fourteenth meeting, the Conference of the Parties to the Convention on Biological Diversity adopted a decision setting out a preparatory process for the development of the post-2020 global biodiversity framework (see decision [14/34](#)). In addition, the Conference of the Parties requested Parties to facilitate and support the participation of indigenous peoples and local communities in the discussion and processes related to the post-2020 global biodiversity framework (see decision [14/17](#), para. 13).

2. In response, the Secretariat of the Convention, together with the International Indigenous Forum on Biodiversity (IIFB), organized two Global Thematic Dialogues for Indigenous Peoples and Local Communities on the Post-2020 Global Biodiversity Framework. The [first Global Thematic Dialogue](#) was held on 17 and 18 November 2019 and reflected on the results of the first meeting of the Open-ended Working Group on the post-2020 Global Biodiversity Framework and associated regional consultations.¹ The [second Global Thematic Dialogue](#) was held virtually from 1 to 3 December 2020 and served as an opportunity for indigenous peoples and local communities to reflect on the process for the development of the post-2020 global biodiversity framework, including the updated zero draft ([CBD/POST2020/PREP/2/1](#)) and the draft post-2020 monitoring framework ([CBD/WG2020/2/3/Add.1](#)).

3. The third Global Thematic Dialogue for Indigenous Peoples and Local Communities on the Post-2020 Global Biodiversity Framework, organized in partnership with IIFB, with the generous support of the [Campaign for Nature](#), is aimed at enhancing the participation of indigenous peoples and local communities in the post-2020 global biodiversity framework as requested by the Conference of the Parties in decision 14/17, paragraph 13. The purpose of the third Dialogue is to provide an opportunity for indigenous peoples and local communities and Parties to exchange views on the first draft of the post-2020 global biodiversity framework ([CBD/WG2020/3/3](#)), in advance of the third meeting of the Working Group on the Post-2020 Global Biodiversity Framework, scheduled to be held from 23 August to 3 September 2021. The discussion will focus on the following matters:

(a) Identifying and discussing key legal, policy, and institutional issues related to traditional knowledge, customary sustainable use, and matters affecting indigenous peoples and local communities in the first draft of the post-2020 global biodiversity framework;

(b) Promoting dialogue and building bridges among indigenous peoples and local communities, regional and Party representatives, and the Co-Chairs of the Open-ended Working Group on the development and implementation of the post-2020 global biodiversity framework.

¹ For the report of the Working Group on its first meeting, see ([CBD/WG2020/1/5](#)). For the reports of the regional consultations, see [CBD/POST2020/WS/2019/1/2](#) (Asia and the Pacific), [CBD/POST2020/WS/2019/2/2](#) (Western European and Others Group), [CBD/POST2020/WS/2019/3/2](#) (Africa), [CBD/POST2020/WS/2019/4/2](#) (Central and Eastern Europe), and [CBD/POST2020/WS/2019/5/2](#) (Latin America and the Caribbean).

4. Expected outputs of the third Dialogue include main messages from indigenous peoples and local communities on the first draft of the post-2020 global biodiversity framework, including the development of concrete and constructive text proposals covering different elements of the first draft, such as goals and targets. These would be conveyed, as appropriate, to the following bodies:
