

Information and Knowledge Management at the UNFCCC secretariat

Presentation to the Steering Committee of the UNEP MEA Information and Knowledge Management Initiative

Glion, Switzerland, 22 June 2010

Erik Sokolovsky, Head of Knowledge Management Unit
UNFCCC secretariat, Information Services programme

UNFCCC and the KP

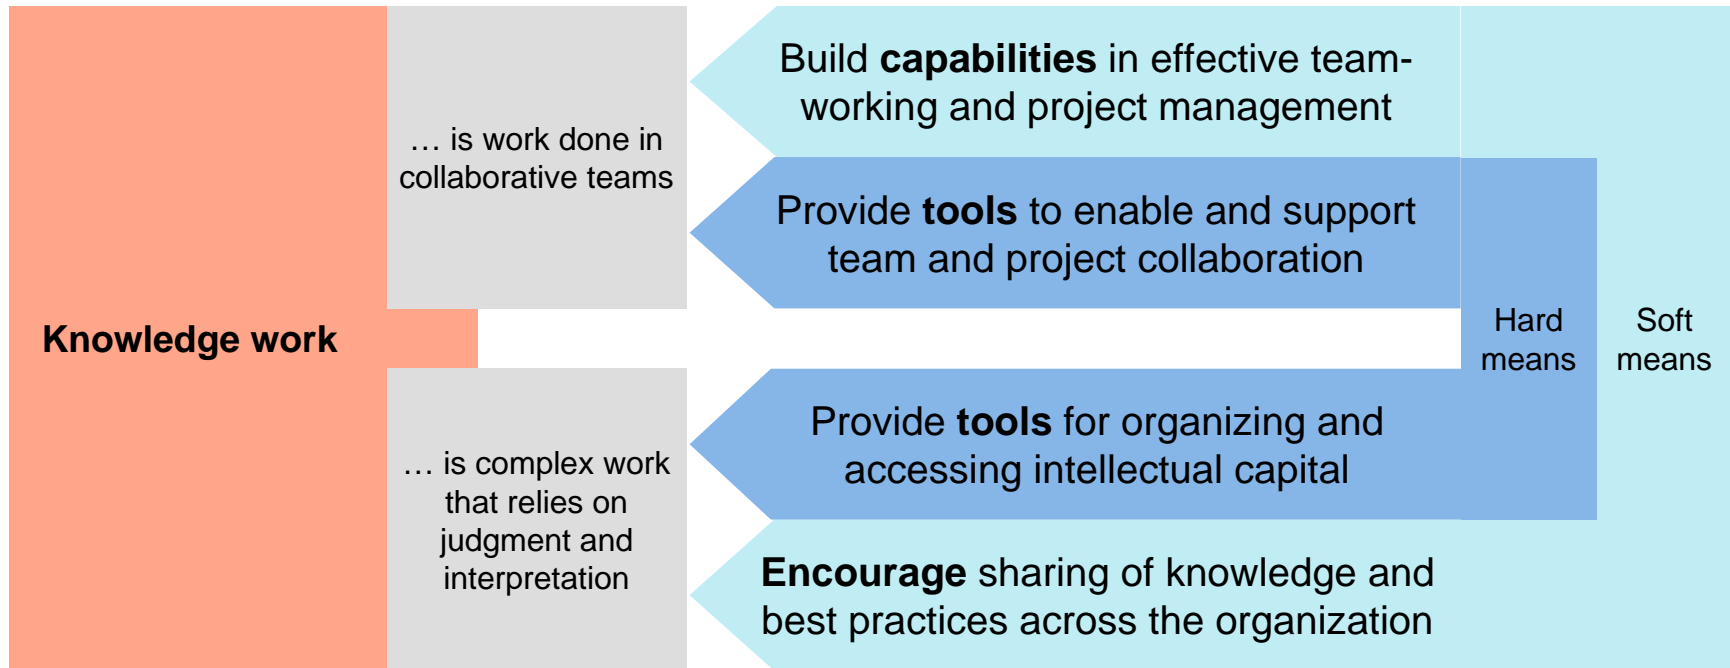

The institutional pillars for international climate action

- COP serving as the Meeting of the Parties to the Kyoto Protocol (CMP)
- Standing subsidiary bodies
 - Subsidiary Body for Scientific and Technological Advice (SBSTA)
 - Subsidiary Body for Implementation (SBI)
- Ad-hoc bodies
 - Ad-hoc working group - LCA
 - Ad-hoc working group – KP
- Bureau
- UNFCCC Secretariat
 - Organises negotiations, compiles and distributes documents, data and information
 - Serves as regulatory body to support CDM, JI, Compliance Committee
 - 350+ staff

KM (internal) at the UNFCCC secretariat

Strategic framework

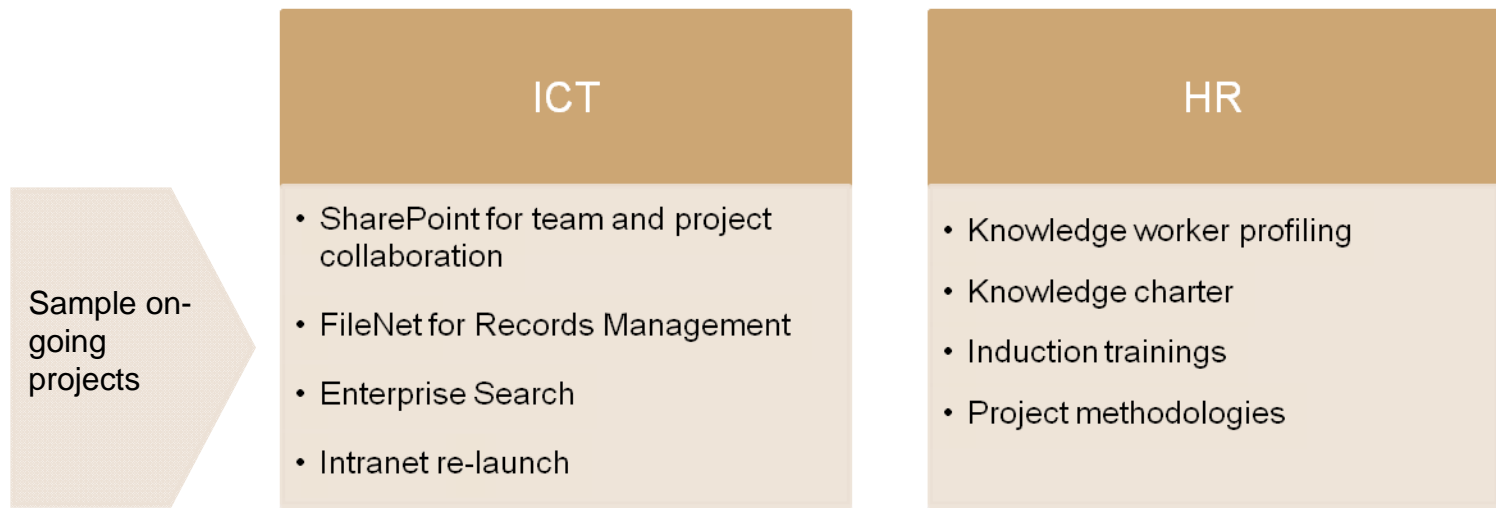

- **KM as the platform and the facilitator for information and knowledge sharing, within and beyond the organizational boundary**
- **KM and collaboration strategies in place and formally approved by management**
 - **Based on Australian Standard 5037 "Knowledge Management - a guide" and industry best practice**

KM (internal) at the UNFCCC secretariat

Organization and sample partner projects

Two strategic partners for (internal) KM: ICT and HR

Mandates for (external) information and knowledge management

- Article 6 of the convention and Article 10 (e) of the Kyoto protocol
 - a) Development and implementation of educational and public awareness programmes on climate change and its effects
 - b) Public access to information on climate change and its effects
 - c) Public participation in addressing climate change and its effects and developing adequate responses
 - d) Training of scientific, technical and managerial personnel
- Article 12 of the convention (with Article 8)
 - a) National reporting by parties, such as anthropogenic emissions by sources or national steps taken to implement the convention
 - b) Secretariat to make available information received from Parties publicly available
- Subsequent decisions of the parties, for example
 - a) Nairobi framework
 - b) New Delhi work programme
 - c) Nairobi work programme
