6. **Visa information**

Participants from countries listed in **annex A** below require an entry visa for Canada and are strongly advised to contact the nearest Canadian diplomatic or consular mission **as soon as possible** in order to secure the required entry visa in a timely manner, prior to departure. **Please note that airline companies will not allow boarding in the absence of a valid visa.**

Information on visa procedures, including a list of relevant Canadian diplomatic/consular missions abroad, is available on the web site of Canadian Citizenship and Immigration at: <http://www.cic.gc.ca/english/information/offices/apply-where.asp>.

A number of countries (listed in annex A below) require Biometrics (fingerprints and photos) in order to enter Canada on a visa. Information can be found at the following link: <http://www.cic.gc.ca/english/visit/biometrics.asp>.

On-line visa application:

**Anyone can apply online for a visa to enter Canada.** However individuals who are required to provide biometrics still need to present themselves at a Visa Application Centre to provide this information. An application will not go forward without the biometric information. The CIC will send you a biometric instruction letter by email through your MyCIC account when they receive your application. Read and print this letter and bring it, along with your passport or other travel document, to a visa application centre (VAC) to give your biometrics. Find your closest VAC.

**Important: Please continuously check your MyCIC application account for any incoming e-mails, queries, requests for more information and responses from the visa office.**

Important new information for participants from visa exempt countries who were previously able to travel to Canada without prior authorization are required to complete an Electronic Travel Authorization (eTA). The eTA will be valid for 5 years or expiry of your passport and is mandatory for entry as of 15 March 2016.

**Visa-exempt foreign nationals who fly to or transit through Canada need an Electronic Travel Authorization (eTA), mandatory as of 15 March 2016.** Travellers are required to have an eTA before they can board a flight to Canada. (exceptions include U.S. citizens and travellers with a valid visa for Canada).

Applying for the eTA is an online process which takes only a few minutes to complete. There is a fee of CAN \$7.00 for the electronic travel authorization (eTA).

The eTA link is as follows: <http://www.cic.gc.ca/english/visit/visas.asp>

To facilitate the issuance of visas, the Secretariat will issue upon request invitation letters to be attached to the visa applications.
