

LATIN AMERICA SUB-REGIONAL CAPACITY-BUILDING WORKSHOP ON MAINSTREAMING BIOSAFETY INTO NATIONAL BIODIVERSITY STRATEGIES AND ACTION PLANS AND RESOURCE MOBILIZATION

Workshop Objectives Expected Outcomes, and Organization of Work

Erie Tamale
Programme Officer, CBD Secretariat

Workshop Objectives

Japan Biodiversity Fund

- REVIEW CURRENT STATUS
- LEARN & SHARE EXPERIENCES
- EXPLORE, PLAN & STRATEGIZE

- ENHANCE NATIONAL IMPLEMENTATION

Japan Biodiversity Fund

Workshop Objectives/Outcomes

REVIEW STATUS

- *Status of implementation in West Asia and North Africa (2nd National Reports)*
- *National implementation (NBF devt./implementation)*
- *Integration of biosafety into NBSAPs and other processes*
- *Opportunities and challenges*

LEARN & SHARE

Experiences, good practices & lessons learned

- *PoW on public awareness, education & participation*
- *Aarhus Convention*
- *Nagoya-KL Supplementary Protocol on L&R*

EXPLORE/ PLAN

- *Means to advance NBFs*
- *Ways/means to enhance mainstreaming of biosafety into NBSAPs and other processes*
- *Mobilization of additional resources for implementation*
- *Regional cooperation (strategies/ mechanisms)*
- *Technical Support Network*

Convention on
Biological Diversity

2011-2020
United Nations Decade on Biodiversity

Organisation of Work

Japan Biodiversity Fund

8 December 2014

- Introduction to the CPB Strategic Plan and its relationship with the Strategic Plan for Biodiversity (2011-2020) and the Aichi targets
- Status of implementation of the CPB in the region
- National experiences/lessons learned in the implementation of the Protocol

Organisation of Work

Japan Biodiversity Fund

9 December 2014

- Mainstreaming biosafety into relevant national policies, plans and programmes, including NBSAPs: Rationale, good practices, country experiences and the way forward
- Mobilization of additional resources for national implementation

Organisation of Work

Japan Biodiversity Fund

10 December 2014

- Programme of work on public awareness, education and participation concerning LMOs
- Discussion on national experiences in promoting public awareness, education & participation
- Field trip

Organisation of Work

Japan Biodiversity Fund

11 December 2014

- Core elements of national regimes on public access to information
- Public access to biosafety information in the region: experience, good practices and lessons learned
- Public participation in biosafety and environmental decision-making: Key concepts and experiences from the region
- Regional and subregional cooperation on public awareness, education and participation concerning LMOs

Organisation of Work

12 December 2014

- Objective and core provisions of the Nagoya – Kuala Lumpur Supplementary Protocol on Liability and Redress – Consideration of hypothetical cases
- Measures and capacities that may be required at the national level to ratify and implement the Supplementary Protocol
- Regional cooperation, current efforts to foster regional cooperation on biosafety and suggestions for improvement
- Way forward and closure of the workshop

Your Expectations

- What are your expectations from the workshop?
