TECHNICAL GROUP OF EXPERTS ON LIABILITY  
AND REDRESS IN THE CONTEXT OF THE  
CARTAGENA PROTOCOL ON BIOSAFETY  
Montreal, 18-20 October 2004  
Item 2 of the provisional agenda\*

### ANNOTATIONS TO THE PROVISIONAL AGENDA

*Note by the Executive Secretary*

#### INTRODUCTION

1. At the first meeting of the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol on Biosafety (COP/MOP), the Parties, in their decision BS-I/8, requested the Executive Secretary in consultation with the Bureau, to convene a Technical Group of Experts on Liability and Redress, nominated by Parties to the Protocol and based on a fair and equitable geographical representation, to undertake preparatory work for the first meeting of the Open-ended Ad Hoc Working Group of Legal and Technical Experts on Liability and Redress. Following the financial contributions from the Government of United Kingdom and the European Community, the Technical Group of Experts will meet in Montreal, from 18 to 20 October 2004.

2. In accordance with the established practice, the Executive Secretary requested Parties to the Protocol as well as other Governments, relevant international organizations and other stakeholders to submit the names of suitably qualified experts to be considered for selection as participants at the Technical Meeting. On the basis of the nominations received, the Executive Secretary, in consultation with the Bureau of the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol Biosafety, will select participants and observers for the meeting taking into account the following criteria:

- (a) Equitable geographical and stakeholder representation;
- (b) Knowledge and experience of international environmental law, international law relating to liability and redress for transboundary harm, or issues concerning LMOs; and
- (c) Gender balance.

## **ITEM 1. OPENING OF THE MEETING**

3. The meeting of the Group of Experts will be opened by the Executive Secretary of the Convention on Biological Diversity on 18 October 2004.

## **ITEM 2. ORGANIZATIONAL MATTERS**

### ***2.1. Election of officers***

4. Participants will be invited to elect a Chairperson(s) and a Rapporteur for the meeting.

### ***2.2. Adoption of the agenda***

5. The Technical Group of Experts may wish to adopt its agenda on the basis of the provisional agenda proposed by the Executive Secretary (UNEP/CBD/BS/TEG-L&R/1/1).

### ***2.3. Organization of work***

6. The language of the meeting will be English. The proposed organization of work for the meeting is contained in annex I below.

7. A list of documents for the meeting is contained in annex II below. In addition to normal distribution, documents are also available on the Secretariat's website at <http://www.biodiv.org>.

8. The Secretariat is also distributing an information note for participants containing details of registration and logistical arrangements for the meeting, including information on travel, visa requirements, accommodation and other matters.

## **ITEM 3. REVIEW OF INFORMATION RELATING TO LIABILITY AND REDRESS FOR DAMAGE RESULTING FROM TRANSBOUNDARY MOVEMENTS OF LIVING MODIFIED ORGANISMS**

9. In its review of the information relating to liability and redress for damage resulting from transboundary movements of LMOs, the Technical Group of Experts may wish to recall the information gathered so far by the Executive Secretary for the Intergovernmental Committee for the Cartagena Protocol on Biosafety (ICCP) in preparation for the first meeting of the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol Biosafety, which includes:

(a) Review of existing instruments on liability and redress. The review is focused on areas such as nuclear material, oil pollution, transport of dangerous goods and substances, and space objects, as well as in relation to ongoing activities under United Nations Environment Programme, the United Nations Compensation Commission, the International Law Commission, the Antarctic Treaty system, the European Community and the Convention on Biological Diversity (UNEP/CBD/ICCP/2/3). Subsequently, the information gathered was further updated and reflected in the an update on developments in national, international and regional legal instruments on liability and redress prepared for the first meeting of the Conference of the Parties serving as the meeting of the Parties to the Cartagena Protocol Biosafety (UNEP/CBD/BS/COP-MOP/1/9/Add.1);

(b) Examination of national/regional measures in the field of liability and redress for damage resulting from LMOs. Governments and stakeholders were invited to submit the information on their national and regional legislation on the subject matter, in the compilations of information on national, regional and international measures and agreements in the field of liability and redress for damage

resulting from the transboundary movements of living modified organisms (UNEP/CBD/BS/COP-MOP/1/INF/5) and (UNEP/CBD/ICCP/3/INF/1). Elements that are covered under those legislations were analysed by the Executive Secretary in his note on Liability and redress for damage resulting from transboundary movements of living modified organisms (UNEP/CBD/ICCP/3/3);

(c) Responses to the questionnaire on liability and redress. Parties, Governments and organizations have submitted their initial understandings and views in response to a set of questions relating to scenarios of damage and elements of rules and procedures on liability and redress for damage resulting from transboundary movements of LMOs (UNEP/CBD/BS/COP-MOP/1/INF/6 and UNEP/CBD/BS/TEG-L&R/1/INF/1);

(d) The report of the Rome Workshop on Liability and Redress in the context of the Cartagena Protocol held from 2 to 4 December 2002 (UNEP/CBD/BS/COP-MOP/1/INF/8). The report contains views with respect to a number of issues including: understanding of Article 27 of the Protocol, types of activities or scenarios for damage covered by the Protocol, functions and objectives of a liability regime, definition of damage, channelling liability, financial security and forms of instrument.

10. In addition, the process under Article 14, paragraph 2, of the Convention on Biological Diversity has generated information that may be relevant to the discussion under the Protocol. This information can be found in documents the synthesis of submissions from Governments and international organizations in the response to a questionnaire on liability and redress under the Convention on Biological Diversity (UNEP/CBD/COP/5/16), the review of relevant international legal instruments and issues for consideration (UNEP/CBD/WS-L&R/2), the summary of submissions received by the Executive Secretary (UNEP/CBD/WS-L&R/INF/1), the update of synthesis report of submissions from Governments and international organizations (UNEP/CBD/COP/6/12/Add.1), and the report of the Workshop on Liability and Redress in the Context of the Convention on Biological Diversity (UNEP/CBD/COP/6/INF/5).

11. The Technical Group of Experts may wish to take stock of the information gathered to date and identify information gaps that would require further action in order to prepare for the first meeting of the Open-ended Ad Hoc Working Group of Legal and Technical Experts on Liability and Redress.

#### **ITEM 4. CONSIDERATION OF ISSUES ON LIABILITY AND REDRESS PURSUANT TO ARTICLE 27 OF THE PROTOCOL**

12. Under this item, the Technical Group of Experts may wish to focus the discussion on the following sub-items:

(a) Analysis of general issues relating to:

- (i) The potential and/or actual damage scenarios of concern that may be covered under the Protocol in order to identify the situations for which international rules and procedures referred to in Article 27 of the Protocol may be needed;
- (ii) The application of international rules and procedures on liability and redress to the damage scenarios of concern that may be covered under Article 27 of the Protocol;

(b) Elaboration of options for elements of rules and procedures referred to in Article 27 of the Protocol.

13. In accordance with decision BS-I/8 and ICCP recommendation 3/1, Parties, Governments, international organizations and stakeholders have submitted their views in response to a set of questionnaire, which will be compiled in an information document (UNEP/CBD/BS/TEG-L&R/1/INF/1). The Executive Secretary, as mandated by the first meeting of the Conference of the Parties serving as the

meeting of the Parties to the Cartagena Protocol Biosafety, will prepare a synthesis report of the views submitted (UNEP/CBD/BS/TEG-L&R/1/2).

14. The Technical Group of Experts is invited to consider issues raised in these documents, identify options and make recommendations for the consideration of the first meeting of the Open-ended Ad Hoc Working Group of Legal and Technical Experts on Liability and Redress.

#### **ITEM 5. OTHER MATTERS**

15. Under this item, the Technical Group of Experts may wish to raise and discuss other matters related to the subject matter of the meeting.

#### **ITEM 6. ADOPTION OF THE REPORT**

16. The Technical Group of Experts will consider and adopt its report, on the basis of a draft report of to be prepared and presented by the Rapporteur.

17. The final report of the Technical Group of Experts will be presented by the Chairperson to the first meeting of the Open-ended Ad Hoc Working Group of Legal and Technical Experts on Liability and Redress

#### **ITEM 7. CLOSURE OF THE MEETING**

18. It is expected that the meeting will be closed at 5 p.m. on Wednesday, 20 October 2004.
