

St. Kitts & Nevis Clearing House Mechanism

Current Situation

- ▶ St. Kitts and Nevis does not currently has a functioning CHM
 - ▶ We have the capabilities and the necessary mechanisms in place
- 

Limitations

- ▶ Gathering and dissemination of information
 - ▶ Human resource
 - ▶ Reaching target groups
 - ▶ Collaboration with other government agencies
- 

Strategy

- ▶ Ensure all the contributing agencies have access to information that would help to strengthen the information gathering
 - ▶ Training officers that would deal directly with the gathering and updating of information in the CHM
 - ▶ Strengthening of focal points and establish well managed and organized networks
-
