Comments on national situation
<ul style="list-style-type: none"> ✓ The 5th National Report is under way ✓ Mozambique is still in the process of hiring coordinators to revise of NBSAP and work with subgroups according to the 5 targets AICHI. ✓ Working with the company that design the Biodiversity webpage to provide it online and to be analysed the contents. ✓ The CHM website is not created yet.

Strategic Vision
✓ The NBSAP revise is under way. This will define the role of National CHM in supporting and implementation of NBSAP.

Roadmap				
Priority	Objective	Activity	Responsible	Requirements
1	Disseminate information	Create CHM website and networking	MICOA	CR ARR
2	Revise	Revise of NBSAP	MICOA	CR
3	Balance sheet of the lifetime of the NBSAP 2003 - 2010	Elaboration of the 5 th National Report	MICOA	CR

Notes:

- Priority: 1=urgent, 2=high, 3=medium, 4=low; 5=very low
- Objective: challenge, issue, problem to resolve
- Responsible: organization or person in charge
- Requirements: Code + text
 - OK: Can be done with existing resources
 - DR: Decision required
 - CR: Collaboration required
 - ARR: Additional resources required (support, cooperation)

Comments on roadmap
It is a challenge for the country. Mozambique will need first to establish the National CHM and create the groups that are going to work on in cooperation with all the institutions to implement the NBSAP.

Cooperation opportunities / Type of support needed
Necessary collaboration and cooperation of all sectors that deal with the issue in question, the training of human resources as well as the timely financial disbursements.

Thank you!
