**Regional Workshop for
the Pacific on the CHM**

Nadi, Fiji

13-17 June 2016 – # 3

- **CHM Network**
 - Decision XII/2 B reiterated the importance of national CHMs
 - Only 50% of Parties have a national CHM
 - Many countries use the European Portal Tool Kit (PTK)
- **Experiences from workshops**
 - Guidance is not sufficient
 - Barriers to the establishment of a national CHM
 - Lack of capacity to establish and maintain the CHM
- **CHM expert meeting at EEA (December 2014)**
 - European Portal Tool Kit (PTK) based on obsolete platform (Zope)
 - Should be based on popular open-source content management system
 - Consideration of various options
 - Proposal by Belgium to offer web-hosting if Drupal CMS
