Web address (URL) & title	Brief description	Responsible organization

Major national organizations involved in biodiversity		
Acronym	Full name	Role
SAEPF	The State Agency on Environment Protection and Forestry of the Kyrgyz Republic	Nature conservation

Major national organizations involved in biodiversity		
Acronym	Full name	Role

Comments on national situation
<p>The CHM website is not created. The issues connected to biodiversity are covered on the official website of the State Agency on Environment Protection and Forestry of the Kyrgyz Republic. Development of CHM activities is being planned. Country needs technical assistance in establishment and development of national CHM.</p>

Strategic Vision
<p>To establish an effective CHM, to develop CHM activities in the country. Keep on working to make information on the biodiversity of Kyrgyzstan available to local and international stakeholders.</p>
