Comments on national situation
National CHM of Kazakhstan is website of Forestry and Wildlife Committee (FHC). FHC is main state agency that is responsible for biodiversity in Kazakhstan. The website of FHC is operating since 2012. Nowadays the CHM is operating in three languages (not all information is translated into English). However all information is available in Kazakh and Russian and updated regularly. The operation of website is provided by the IT Unit of Ministry of Agriculture of Republic of Kazakhstan.

Comments on national situation

Strategic Vision
To develop and improve National CHM in Kazakhstan we need guidance and experience exchange with international partners. The workshops are an excellent opportunity to receive information about new ways to improve mechanisms like clearing-house and find technical support from international; partners. Moreover during the workshops we can learn experience of advanced countries.

Roadmap				
Priority	Objective	Activity	Responsible	Requirements
1	Send the official letter to CBD from NFP of CBD	To prepare the letter	FHC MA of RK, NFP of CBD	OK

## Notes:

- Priority: 1=urgent, 2=high, 3=medium, 4=low; 5=very low
- Objective: challenge, issue, problem to resolve
- Responsible: organization or person in charge
- Requirements: Code + text
  - OK: Can be done with existing resources
  - DR: Decision required
  - CR: Collaboration required
  - ARR: Additional resources required (support, cooperation)

Comments on roadmap

**Comments on roadmap****Cooperation opportunities / Type of support needed**

Creation of Bioland content is a great opportunity to practice and receive new knowledge about CHM for Kazakhstan. In future we want to continue work with this content and hope to get a technical support from CBD.

*Thank you!*
