Comments on national situation
We still need to solve organizational issues: working group is established, all technical assets are delivered, but level of activity with information providing and collaboration has to be raised

Strategic Vision
Use CHM web tool as one of the primary nature protection related points of exchange and informational sources

Roadmap				
Priority	Objective	Activity	Responsible	Requirements
1	Make it live	Make sure appointed editors start working and become involved	State Committee on Environment Protection and Land Resources of Turkmenistan	CR
1	Make it visible	Approve and publish website		DR
