

| Theme | Feature | Key success factor | Response | | | | |
|--|--------------------|---|--|--------|--------|----|----|
| | | | | | | | |
| Motivate | Benefits | Restoration generates economic benefits | iiiiii | ii | ii | ii | |
| | | Restoration generates social benefits | iiiiii | ii | ii | ii | |
| | | Restoration generates environmental benefits | iiiiii | ii | ii | ii | |
| | Awareness | Benefits of restoration are publicly communicated | iiii | iiiiii | ii | ii | |
| | | Opportunities for restoration are identified | iiii | iiiiii | ii | ii | |
| | Crisis events | Crisis events are leveraged | iiii | iiiiii | ii | ii | |
| | Legal requirements | Law requiring restoration exists | iiiiii | ii | ii | ii | |
| | | Law requiring restoration is broadly understood and enforced | iiii | iiiiii | ii | ii | |
| | Enable | Ecological conditions | Soil, water, climate, and fire conditions are suitable for restoration | iiii | iiiiii | ii | ii |
| | | | Plants and animals that can impede restoration are absent | iiii | iiiiii | ii | ii |
| Native seeds, seedlings, or source populations are readily available | | | iiiiii | iiiiii | ii | ii | |
| Market conditions | | Competing demands (e.g., food, fuel) for degraded forestlands are declining | iiii | iiiiii | ii | ii | |
| | | Value chains for products from restored area exists | i | iiiiii | iiii | ii | |
| Policy conditions | | Land and natural resource tenure are secure | iiii | iiiiii | ii | ii | |
| | | Policies affecting restoration are aligned and streamlined | ii | iiiiii | ii | ii | |
| | | Restrictions on clearing remaining natural forests exist | iiiiii | i | iiiiii | ii | |
| | | Forest clearing restrictions are enforced | iiiiii | iiiiii | ii | ii | |
| Social conditions | | Local people are empowered to make decisions about restoration | iiii | iiiiii | ii | ii | |
| | | Local people are able to benefit from restoration | iiiiii | iiiiii | ii | ii | |
| Institutional conditions | | Roles and responsibilities for restoration are clearly defined | iiii | iiiiii | ii | ii | |
| | | Effective institutional coordination is in place | iiiiii | iiiiii | ii | ii | |
| Implementation | | Leadership | National and/or local restoration champions exist | iiiiii | iiiiii | ii | ii |

| | | | | | |
