Presentation on accessing OECD database

- This presentation provides guidance on how to access data through the online OECD.Stat Extract tool, and how to download and manage activity-level data to perform more detailed analysis.

- **http://stats.oecd.org**

How to personalize the database

- To choose how the different variables are presented in your table, you can change the dimensions (rows and columns) of the table by clicking on the icon and selecting the "Layout" option.

- To alter the dimensions of specific variables (e.g. the time period shown), click on the icon and select the "Selection" option.
