INTERGOVERNMENTAL NEGOTIATING COMMITTEE  
FOR A CONVENTION ON BIOLOGICAL DIVERSITY

Fifth Negotiating Session/Third Session of INC  
Geneva, 25 November - 4 December 1991

REPORT OF THE INTERGOVERNMENTAL NEGOTIATING COMMITTEE  
FOR A CONVENTION ON BIOLOGICAL DIVERSITY ON THE WORK  
OF ITS THIRD SESSION/FIFTH NEGOTIATING SESSION

Corrigendum

Paragraph 94 of the report of the INC for a Convention on Biological Diversity on the work of its Third Session/Fifth Negotiating Session should read as follows:

94. After discussion the Plenary took note of the suggestion by the Executive Director that the Seventh Negotiating Session/Fifth Session of the INC be held in Nairobi from 11-15 May 1992 and be followed by a Diplomatic Conference 18-20 May 1992 which would be expected to finalize the text of the Convention, adopt Resolutions and receive Declarations, if any, and sign the Final Act. The Chairman drew the attention of the delegates to the fact that to sign the Final Act at the Diplomatic Conference the delegates must be accredited to the final phase of the negotiating process and authorized to sign the Final Act.
