EASTERN TROPICAL AND TEMPERATE PACIFIC
REGIONAL WORKSHOP TO FACILITATE THE
DESCRIPTION OF ECOLOGICALLY OR
BIOLOGICALLY SIGNIFICANT MARINE AREAS
Galápagos Islands, Ecuador, 28 to 31 August 2012

ANNOTATIONS TO THE PROVISIONAL AGENDA

INTRODUCTION

1. At its tenth meeting, the Conference of the Parties to the Convention on Biological Diversity requested the Executive Secretary to work with Parties and other Governments as well as competent organizations and regional initiatives, such as the Food and Agriculture Organization of the United Nations (FAO), regional seas conventions and action plans, and, where appropriate, regional fisheries management organizations (RFMOs) to organize, including the setting of terms of reference, a series of regional workshops, with a primary objective to facilitate the description of ecologically or biologically significant marine areas through the application of scientific criteria in annex I of decision IX/20 as well as other relevant compatible and complementary nationally and intergovernmentally agreed scientific criteria, as well as the scientific guidance on the identification of marine areas beyond national jurisdiction, which meet the scientific criteria in annex I to decision IX/20 (paragraph 36 of decision X/29).
2. In the same decision, the Conference of the Parties requested that the Executive Secretary make available the scientific and technical data and information and results collated through the workshops referred to above to participating Parties, other Governments, intergovernmental agencies and the Subsidiary Body on Scientific, Technical and Technological Advice (SBSTTA) for their use according to their competencies.
3. The Conference of the Parties also requested SBSTTA to prepare reports based on scientific and technical evaluation of information from the workshops, setting out details of areas that meet the criteria in annex I to decision IX/20 for its consideration and endorsement in a transparent manner, with a view to including the endorsed reports in the repository referred to in paragraph 39 of decision X/29 and to submit them to the United Nations General Assembly and particularly its Ad Hoc Open-ended Informal Working Group, as well as relevant international organizations, Parties and other Governments (paragraph 42 of decision X/29).
4. Pursuant to the above requests and with financial support from the Government of Japan, the Executive Secretary is convening the Eastern Tropical and Temperate Pacific Regional Workshop to Facilitate the Description of Ecologically or Biologically Significant Marine Areas (EBSAs), in collaboration with the Secretariat of the Permanent Commission for the South Pacific (CPPS). This workshop will be hosted by the Government of Ecuador and will take place in the Galapagos, Ecuador,

from 28 to 31 August 2012. It is being held immediately following a training workshop on EBSAs, being convened by the Secretariat of the Convention on Biological Diversity in collaboration with Global Ocean Biodiversity Initiative (27 August in the Galapagos, Ecuador).

5. A list of documents for the workshop is attached as annex I.
6. The Secretariat will be issuing an information note for participants containing details of logistical arrangements, including information on travel, visa requirements, accommodation and other matters for the meeting. The languages of the workshop will be English and Spanish.
7. Registration of participants will commence at 8.30 a.m. on Tuesday, 28 August 2012.

ITEM 1. OPENING OF THE WORKSHOP

8. Representatives of the Government of Ecuador, the Executive Secretary of the Convention on Biological Diversity and the Permanent Commission for the South Pacific will open the workshop at 9 a.m. on Tuesday, 28 August 2012.

ITEM 2. ELECTION OF THE WORKSHOP CO-CHAIRS, ADOPTION OF THE AGENDA AND ORGANIZATION OF WORK

9. After a brief self-introduction, the participants will be invited to elect the workshop co-chairs, based on proposals from the floor.
10. Participants will then be invited to consider the provisional agenda (UNEP/CBD/RW/EBSA/ETTP/1/1) and the proposed organization of work, as contained in annex II below, and adopt them following any amendments, if needed.
11. The workshop will be organized in plenary and breakout-group sessions. The workshop co-chairs will nominate facilitators and rapporteurs for breakout groups, based on the expertise and experience of the workshop participants and in consultation with the Secretariat of the Convention on Biological Diversity.

ITEM 3. WORKSHOP BACKGROUND, SCOPE AND OUTPUT

12. The representative of the Secretariat will give an overview of the objectives and expected outcomes of the workshop. Selected experts will also be invited to provide presentations on: (i) a regional overview of biogeographic information on open-ocean water and deep-sea habitats and the geographic scope of the workshop; and (ii) overview of relevant scientific programmes at regional scale.

ITEM 4. REVIEW OF RELEVANT SCIENTIFIC DATA/INFORMATION/MAPS COMPILED AND SUBMITTED FOR THE WORKSHOP

13. Under this item, participants will have before them a note by the Executive Secretary (UNEP/CBD/RW/EBSA/ETTP/1/2) transmitting a compilation of the submissions by Parties, other Governments and relevant organizations of scientific information to describe areas meeting the scientific criteria for ecologically or biologically significant marine areas in the Eastern Tropical and Temperate Pacific region, made in response to the Secretariat's notification 2012-073 (Ref. no. SCBD/STTM/JM/JL/JG/79841), dated 16 May 2012. Participants will also have before them a note by the Executive Secretary (UNEP/CBD/RW/EBSA/ETTP/1/3) transmitting a compilation and synthesis of scientific data in support of the workshop objectives. The documents/references submitted prior to the workshop are being made available for the information of workshop participants on the meeting website (<http://www.cbd.int/doc/?meeting=EBSA-ETTP-01>).

1. Workshop participants will be invited to review, through individual presentations and open plenary discussion, relevant scientific data/information/maps in relation to their potential contribution to describing areas meeting EBSAs criteria.

ITEM 5. DESCRIPTION OF AREAS MEETING EBSAs CRITERIA THROUGH APPLICATION OF THEIR SCIENTIFIC CRITERIA AND OTHER RELEVANT COMPATIBLE AND COMPLEMENTARY NATIONALLY AND INTERGOVERNMENTALLY AGREED SCIENTIFIC CRITERIA, AS WELL AS THE SCIENTIFIC GUIDANCE ON THE IDENTIFICATION OF EBSAs

15. Under this item, based on the compilation mentioned above and building on the above presentations and deliberations of the workshop in plenary session, participants will be invited to split into two or three subregional breakout groups (details to be determined by the workshop plenary) to consider the description of areas meeting the scientific criteria for EBSAs and other relevant compatible and complementary nationally and intergovernmentally agreed scientific criteria. Depending on the number of participants, further subgroupings can be made as advised by the workshop co-chairs, in consultation with the Secretariat.

16. The results of the breakout groups will be reported at the plenary for consideration. The workshop participants in the plenary session will review the potential areas that meet the scientific criteria for EBSAs proposed by the breakout group sessions and consider them for inclusion in the final list of describing areas meeting EBSAs criteria.

ITEM 6. IDENTIFICATION OF GAPS AND NEEDS FOR FURTHER ELABORATION IN DESCRIBING AREAS MEETING EBSAs CRITERIA, INCLUDING THE NEED FOR THE DEVELOPMENT OF SCIENTIFIC CAPACITY AND A PROPOSAL FOR FUTURE SCIENTIFIC COLLABORATION

17. Building on the workshop deliberation on describing areas meeting the scientific criteria for EBSAs, workshop participants will be invited to identify, through the theme presentations and open plenary discussion, gaps and needs for further elaboration in describing areas meeting EBSAs criteria, including the need for the development of scientific capacity and a proposal for future scientific collaboration.

ITEM 7. OTHER MATTERS

18. Under this item, consideration may be given to any other matters of relevance raised by workshop participants.

ITEM 8. ADOPTION OF THE REPORT

9. Participants will be invited to consider and adopt the report of the workshop on the basis of a draft report to be prepared and presented by the workshop co-chairs.

ITEM 9. CLOSURE OF THE MEETING

20. The workshop is expected to be closed at 5 p.m. on Friday, 31 August 2012.
