MEDITERRANEAN REGIONAL WORKSHOP TO  
FACILITATE THE DESCRIPTION OF  
ECOLOGICALLY OR BIOLOGICALLY  
SIGNIFICANT MARINE AREAS  
Málaga, Spain, 7-11 April 2014

### ANNOTATIONS TO THE PROVISIONAL AGENDA

#### INTRODUCTION

1. At its tenth meeting, the Conference of the Parties to the Convention on Biological Diversity requested the Executive Secretary to work with Parties and other Governments as well as competent organizations and regional initiatives, such as the Food and Agriculture Organization of the United Nations (FAO), regional seas conventions and action plans, and, where appropriate, regional fisheries management organizations (RFMOs) to organize, including the setting of terms of reference, a series of regional workshops, with a primary objective to facilitate the description of ecologically or biologically significant marine areas through the application of scientific criteria in annex I of decision IX/20 as well as other relevant compatible and complementary nationally and intergovernmentally agreed scientific criteria, as well as the scientific guidance on the identification of marine areas beyond national jurisdiction, which meet the scientific criteria in annex I to decision IX/20 (paragraph 36 of decision X/29).
2. In the same decision, the Conference of the Parties requested that the Executive Secretary make available the scientific and technical data and information and results collated through the workshops referred to above to participating Parties, other Governments, intergovernmental agencies and the Subsidiary Body on Scientific, Technical and Technological Advice (SBSTTA) for their use according to their competencies.
3. Subsequently, the Conference of the Parties, at its eleventh meeting, requested the Executive Secretary to further collaborate with Parties, other Governments, competent organizations, and global and regional initiatives, such as the United Nations General Assembly Ad Hoc Working Group of the Whole on the Regular Process for Global Reporting and Assessment of the State of the Marine Environment, including Socio-Economic Aspects, the International Maritime Organization, the Food and Agriculture Organization of the United Nations, regional seas conventions and action plans, and, where appropriate, regional fisheries management organizations, with regard to fisheries management, and also including the participation of indigenous and local communities, to facilitate the description of areas that meet the criteria for EBSAs through the organization of additional regional or subregional workshops for the remaining regions or subregions where Parties wish workshops to be held, and for the further description of the areas already described where new information becomes available (paragraph 12 of decision XI/17).

4. At the 18th Meeting of the Contracting Parties to the Convention for the Protection of the Marine Environment and the Coastal Region of the Mediterranean (Barcelona Convention) and its Protocols, held in December 2013 in Istanbul, the Contracting Parties adopted decision IG.21/5 (available at <http://www.cbd.int/marine/doc/unep-depi-med-ig-21.5-en.pdf>), “Identification and Conservation of sites of particular ecological interest in the Mediterranean”, which requested the Secretariat of the Barcelona Convention/Mediterranean Action Plan (UNEP/MAP), with the assistance of the Regional Activity Centre for Specially Protected Areas, to cooperate with the Secretariat of the Convention on Biological Diversity in organizing during 2014 a Mediterranean regional workshop on EBSAs, in time for its report to be considered by the eighteenth meeting of the Subsidiary Body on Scientific, Technical and Technological Advice (June 2014) and the twelfth meeting of the Conference of the Parties to the Convention on Biological Diversity. Previously, the 17th Meeting of the Contracting Parties to the Barcelona Convention, held in February 2012 in Paris, had adopted decision IG.20/7 (available at [http://195.97.36.231/acrobatfiles/12IG20\\_8\\_Eng.pdf](http://195.97.36.231/acrobatfiles/12IG20_8_Eng.pdf)), which requested the Secretariat of the Barcelona Convention/Mediterranean Action Plan (UNEP/MAP) to present the work carried out regarding the identification of EBSAs in the Mediterranean to the relevant processes under the Convention on Biological Diversity.

5. Pursuant to the above requests and with financial support from the Government of Spain, the UNEP/MAP Mediterranean Trust Fund and the European Commission, the Secretariat of the Convention on Biological Diversity is convening, in collaboration with the Secretariat of the Barcelona Convention/Mediterranean Action Plan (UNEP/MAP), with logistical and technical support provided by the IUCN Centre for Mediterranean Cooperation (IUCN-Med) and the Regional Activity Centre for Specially Protected Areas, the Mediterranean regional workshop to facilitate the description of ecologically or biologically significant marine areas (EBSAs). This workshop is being hosted by the Government of Spain and will be held from 7 to 11 April 2014, in Málaga, Spain.

6. A list of documents for the workshop is attached as annex I.

7. The Secretariat will be issuing an information note for participants containing details of logistical arrangements, including information on travel, visa requirements, accommodation and other matters for the meeting. The languages of the workshop will be English and French.

8. Registration of participants will commence at 8.30 a.m. on Monday, 7 April 2014.

#### **ITEM 1. OPENING OF THE WORKSHOP**

9. Representatives of the Government of Spain, the Secretariat of the Barcelona Convention/Mediterranean Action Plan (UNEP/MAP) and the Secretariat of the Convention on Biological Diversity will open the workshop at 9 a.m. on Monday, 7 April 2014.

#### **ITEM 2. ELECTION OF THE WORKSHOP CO-CHAIRS, ADOPTION OF THE AGENDA AND ORGANIZATION OF WORK**

10. After a brief self-introduction, the participants will be invited to elect the workshop co-chairs, based on proposals from the floor.

11. Participants will then be invited to consider the provisional agenda (UNEP/CBD/EBSA/WS/2014/3/1) and the proposed organization of work, as contained in annex II below, and adopt them following any amendments, if needed.

12. The workshop will be organized in plenary and breakout-group sessions. The workshop co-chairs will nominate facilitators and rapporteurs for breakout groups, based on the expertise and experience of the workshop participants and in consultation with the Secretariat of the Convention on Biological Diversity and the Secretariat of the Barcelona Convention/Mediterranean Action Plan (UNEP/MAP).

### **ITEM 3. WORKSHOP BACKGROUND, SCOPE AND OUTPUT**

13. The representative of the Secretariat will give an overview of the EBSA process under the Convention on Biological Diversity, workshop objectives and expected outputs/outcomes of the workshop. The Secretariat of the Barcelona Convention/Mediterranean Action Plan (UNEP/MAP) will brief the participants regarding the previous work done for describing areas meeting EBSA criteria in the region. Selected experts will also be invited to provide presentations on:

- (a) Scientific guidance on the application of EBSA criteria;
- (b) Overview of relevant scientific programmes at regional scale;
- (c) Regional overview of biogeographic information on open ocean water and deep-sea habitats and a proposed geographic scope of the workshop.

14. Workshop participants will be invited, building upon the presentation, to exchange views on the geographic scope of the workshop and the workshop outputs/outcomes.

### **ITEM 4. REVIEW OF RELEVANT SCIENTIFIC DATA/INFORMATION/MAPS COMPILED FOR THE WORKSHOP**

15. Under this item, participants will have before them a note by the Executive Secretary (UNEP/CBD/EBSA/WS/2014/3/2) transmitting a compilation of the submissions by Parties, other Governments and relevant organizations of scientific information to describe areas meeting the scientific criteria for ecologically or biologically significant marine areas in the Mediterranean region, made in response to the Secretariat's notification 2014-016 (Ref. no. SCBD/SAM/DC/JL/JA/JM/83100), dated 31 January 2014. Participants will also have before them a note by the Executive Secretary (UNEP/CBD/EBSA/WS/2014/3/3) transmitting a compilation and synthesis of scientific data in support of the workshop objectives. The documents/references submitted prior to the workshop are being made available for the information of workshop participants on the meeting website (<http://www.cbd.int/doc/?meeting=EBSAWS-2014-03>).

16. Workshop participants will be invited to review, through individual presentations and open plenary discussion, relevant scientific data/information/maps in relation to their potential contribution to describing areas meeting EBSA criteria.

### **ITEM 5. DESCRIPTION OF AREAS MEETING THE SCIENTIFIC CRITERIA FOR EBSAs AND OTHER RELEVANT COMPATIBLE AND COMPLEMENTARY NATIONALLY AND INTERGOVERNMENTALLY AGREED SCIENTIFIC CRITERIA**

17. Under this item, based on the compilation mentioned above and building on the above presentations and deliberations of the workshop in plenary session, participants will be invited to split into two or three breakout groups (details of groupings to be determined by the workshop plenary) to consider the description of areas meeting the scientific criteria for EBSAs and other relevant compatible and complementary nationally and intergovernmentally agreed scientific criteria. Depending on the number of participants, further subgroupings can be made as advised by the workshop co-chairs, in consultation with the Secretariat.

18. The results of the breakout groups will be reported at the plenary for consideration. The workshop participants in the plenary session will review the potential areas that meet the scientific criteria for EBSAs proposed by the breakout group sessions and consider them for inclusion in the final list of describing areas meeting EBSA criteria.

### **ITEM 6. IDENTIFICATION OF GAPS AND NEEDS FOR FURTHER ELABORATION IN DESCRIBING AREAS MEETING EBSA CRITERIA,**

**INCLUDING THE NEED FOR THE DEVELOPMENT OF SCIENTIFIC  
CAPACITY AND FUTURE SCIENTIFIC COLLABORATION**

19. Building on the workshop deliberation on describing areas meeting the scientific criteria for EBSAs, workshop participants will be invited to identify, through the theme presentations and open plenary discussion, gaps and needs for further elaboration in describing areas meeting EBSA criteria, including the need for the development of scientific capacity and future scientific collaboration.

**ITEM 7. OTHER MATTERS**

20. Under this item, consideration may be given to any other matters of relevance raised by workshop participants.

**ITEM 8. ADOPTION OF THE REPORT**

21. Participants will be invited to consider and adopt the report of the workshop on the basis of a draft report to be prepared and presented by the workshop co-chairs.

**ITEM 9. CLOSURE OF THE WORKSHOP**

22. The workshop is expected to be closed at 5 p.m. on Friday, 11 April 2014.
