

"Landscape" means an area,
as perceived by people,
whose character is the result of
the action and interaction of
natural and/or human factors

European Landscape Convention
Florence, 20.X.2000

*This will work for landscape,
seascape, coastscape, anythingscape...*

"Landscape management" means action, from a perspective of sustainable development, to ensure the regular upkeep of a landscape, so as to guide and harmonise changes which are brought about by social, economic and environmental processes
