

STEP 1 FEEDBACK: ADD

1. Include analysis of problem statement; Include analysis of status of integration
2. Add section on taking stock
3. Involve stakeholders in setting vision, add more emphasis on stakeholder participation throughout process
4. Add more examples of vision statements, but clarify linked to Target 1.2; provide more specific guidance to what vision could include
5. Include some basic principles of integration (PAs looking outwards; getting the message right)
6. Recommendations about favorable implementation conditions
7. Clearer benefits of integration
8. Add point on education/awareness of need to better integrate (para 41?)
