SUBSIDIARY BODY ON SCIENTIFIC, TECHNICAL AND TECHNOLOGICAL ADVICE

Fifteenth meeting

Montreal, 7-11 November

Agenda item 5.

WAYS AND MEANS TO IMPROVE THE EFFECTIVENESS OF THE SUBSIDIARY BODY ON SCIENTIFIC, TECHNICAL AND TECHNOLOGICAL ADVICE

Draft recommendation submitted by the Chair

The Subsidiary Body on Scientific, Technical and Technological Advice

1. *Requests* the Executive Secretary, in collaboration with the relevant academic and scientific institutions, to prepare scientific reports and papers in response to decision VIII/10, annex III, appendix B, paragraph 1 (ii);

2. *Also requests* the Executive Secretary and *encourages* host countries, host institutions and donors, when preparing meetings of ad hoc technical expert groups on particularly complex and wide ranging issues, to consider holding such meetings in conjunction with larger expert meetings that are already being planned and relevant to the work of the expert group, and to develop associated guidance;

3. *Also requests* the Executive Secretary in collaboration with the Bureau of the Subsidiary Body on Scientific, Technical and Technological Advice to identify issues and modalities for collaboration with the intergovernmental science-policy platform for biodiversity and ecosystem services (IPBES), taking into consideration the views presented at the fifteenth meeting of the Subsidiary Body, and to prepare a report for consideration by the Subsidiary Body at its sixteenth meeting;

4. *Encourages* the participation of the Chair of the Subsidiary Body at future IPBES meetings and related events;

5. *Recommends* that the Conference of the Parties:

(a) *Notes* that to improve its effectiveness, SBSTTA should continue to implement decision VIII/10 and X/12 and focus its work on the scientific and technical aspects of the Strategic Plan for Biodiversity 2011-2020 and the multi-year programme of work, and *requests* SBSTTA to report on its work to each future meeting of the Conference of the Parties;

(b) *Notes* the role of the peer-review process for SBSTTA documents in mobilizing scientific communities and strengthening SBSTTA document quality;

(c) *Recognizes* the role of regional, subregional and national centres for scientific knowledge management related to the Convention on Biological Diversity;

(d) *Invites* Parties, other Governments, and relevant organizations to provide additional resources for the translation of scientific and technical documents, including CBD Technical Series and executive summaries of information documents prepared for meetings of the Subsidiary Body on Scientific, Technical and Technological Advice;

(e) *Invites* Parties and relevant organizations such as the Consortium of Scientific Partners to facilitate side events and roundtables on new and emerging issues so as to provide scientific and technical evidence on such matters for consideration by SBSTTA focal points at the meetings of the Subsidiary Body at which such issues will be considered;

/...

(f) *Further invites* Parties and relevant organizations such as the Consortium of Scientific Partners and IUCN and its commissions to support the elaboration of the reference manual for guidance to SBSTTA focal points, Bureau members and delegates referred to in decision X/12, paragraph 4, including translation into United Nations official languages;

(g) *Noting* the report on progress and suggestions for further actions in response to decision X/12 (UNEP/CBD/SBSTTA/15/15, table 2), *requests* the Executive Secretary, subject to the availability of resources, to:

- (i) Make available web-based tools and training in their use to focal points of the Subsidiary Body on Scientific, Technical and Technological Advice and other interested focal points in order to facilitate regional consultations;
- (ii) Develop training programmes for focal points to the Subsidiary Body on Scientific, Technical and Technological Advice based on the assessment of needs as compiled by the Executive Secretary through notification 2011-104 and the capacity needs assessment of the Global Strategy for Plant Conservation Liaison Group;
- (iii) Prepare background documents, whenever feasible, to accompany notifications to SBSTTA focal points requesting input and information;
- (iv) Continue to include, in each pre-session document prepared for SBSTTA, a list of relevant elements of the Strategic Plan;
- (v) Continue to explore options for closer collaboration between the relevant bureaus among the biodiversity related conventions through the Liaison Group of Biodiversity-related Conventions (BLG) and Chairs of the Scientific Advisory Bodies of the Biodiversity-Related Conventions (CSAB), including such collaboration in budgets;
- (vi) Provide information notes on relevant items on the agenda of the Subsidiary Body to the chairs of the subsidiary bodies of the other Rio conventions and attend meetings when feasible;
- (vii) Maintain through the Convention's website a table with an updated list of current valid mandates from the Conference of the Parties to the Subsidiary Body on Scientific, Technical and Technological Advice and links to relevant sections of the Convention website and to circulate such an updated list to the Bureau of the Subsidiary Body prior to each meeting for its consideration and guidance.
