Geneva, Switzerland, 14-29 March 2022

COVID-19 PREVENTION AND RISK MITIGATION MEASURES

Guidelines for in-person participants and frequently asked questions

The meetings will take place at the “Centre International des Conférences de Genève” (CICG) located at 17 Rue Varembe, Geneva.

Procedure on arrival and registration

On arrival, delegates are first requested to proceed to the “Varembe Conference center (CCV) building located at 9 Rue Varembe, Geneva (across the street from the CICG) to complete a self-administered COVID test. Each delegate will be provided with one self-test kit to conduct the first test. Health workers will be available to assist if needed. A mask (face covering) will also be provided if needed.

Please note that first arrival COVID test facility will operate on the same hours as registration:

- 12 March 2022, from 2 to 6 p.m.
- 13-19 March 2022, from 8 a.m. to 6 p.m.
- 21-29 March 2022, from 8 a.m. to 5 p.m.

If your test result is negative:

You will be directed to the CICG building, where at the entrance you will be required to present:

- 1- Photo ID
- 2- Priority Pass
- 3- COVID test in hand
- 4- Vaccine certificate (either Swiss/EU Certificate, or other certificate issued by your national health authority).

You will then be directed to the registration counter, where you will obtain your conference badge, self-test kits for the duration of the meetings and masks. The first delegate to register from each delegation will receive the secondary access passes for the entire delegation. Each delegation would take charge of distributing the secondary access passes to other members of the delegation for the duration of the meeting.

If your test result is positive

You will be asked to isolate for five days and to inform the Secretariat at covid@cbd.int. You will be able to register on the sixth day if you obtain a negative test result.

Daily access procedure after obtaining your badges

Prior to proceeding to the venue, please take the self-administered test at your hotel. **Retain the completed test strip, since you will need to present it on entry to the venue.**

Please consult the YouTube link to learn more about how to self-conduct the covid test:
