

## Template for submitting comments on the [draft guidance for Integrating Human Rights in NBSAPs \(OHCHR\)](#)

Please submit comments by **26 May 2023** to the following email address: [benjamin.schachter@un.org](mailto:benjamin.schachter@un.org) (cc: secretariat@cbd.int)

In submitting comments, you may wish to consider the following questions:

- Does the guidance capture the main human rights issues which should be reflected in NBSAPs?
- Does the guidance capture the main issues related to the rights of people in vulnerable situations? Are there gaps in terms of how their rights should be reflected in NBSAPs?
- Do you have any other comments on how to improve this guidance and its uptake and accessibility?

Please provide general comments on the draft guidance below.	
Good paper, would recommend adding more technical and in-depth resources at the end.	
Please provide other comments indicating the section below.	
Section	Comments
All	I think the paper remains relatively high level and suggest adding a list of technical resources the readers could use. If this suggestion is accepted, we can provide more content on IPLCs and gender in particular.

<b>Please provide general comments on the draft guidance below.</b>	
Pretty high level, and thankfully not too text heavy.	
<b>Please provide other comments indicating the section below.</b>	
Section	Comments
8	"NBSAPs are not ends in themselves but rather the beginning of a long-term process of

	participatory biodiversity planning, action, and monitoring". Add monitoring to the long-term process.
